## Principal's Report

### Chinese Students

Our four (4) Chinese students from Xincheng Garden Primary School in the city of Suzhou arrived at our school on Monday. The students – Jim, Kitty, Ken & Amy – have settled in well and will be with us for eight (8) weeks. They have been accompanied by their Chinese teacher, Alina. Alina tells me that the students are loving their Aussie school and homestay experience.

### Walkathon: Thursday, 25<sup>th</sup> October

The school Walkathon is next Thursday, 25<sup>th</sup> October and is one of our major fundraisers for 2012. Children are encouraged to continue collecting sponsorships.

### Walkathon: Subway Lunch Order Returned by Tomorrow

Subway lunch order forms were sent home last week of Term 3 and must be returned to the office by tomorrow - Friday, 19<sup>th</sup> October.

### No late orders will be accepted.

### Bendigo Cup Day Holiday

Wednesday, 31<sup>st</sup> October is our local public holiday for Bendigo Cup Day. The school will be closed on this day.

### Curriculum Day: Early Notice

Wednesday, 14<sup>th</sup> November is a curriculum day. Children are not to attend school on this day and After School Care will not operate.

### Educational Maintenance Allowance (EMA) in 2013

There will be significant changes to the EMA in 2013. An information sheet will be sent home tomorrow, outlining the changes. It's very important that you read this information as it will have a considerable impact upon your budgeting for educational costs.

## **AEU Half Day Stopwork: Next *Wednesday, 24<sup>th</sup> October***

Australian Education Union members from White Hills Primary School will be participating in a half day Stopwork on Wednesday, 24<sup>th</sup> October from 9am to 12:45pm. This is in support of a new Teaching Award which is being negotiated with the Victorian Government.

The Stopwork action will impact upon White Hills Primary School. I will advise you in writing this Friday afternoon (19<sup>th</sup> October) which grades will be affected.

**Please note that regular classroom programs will not operate from 9am-12:45pm and I encourage parents to consider alternative arrangements.** In line with government policy, supervision will be provided for students who attend school from 9am-12:45pm on this day.

If you keep your child/ren home between 9am-12:45pm, it would be expected that they attend school in the afternoon on this day.

The normal classroom program would resume from 12:45pm onwards, including lunch at the usual time.

Please note that the canteen will operate on this day, but only children who attend school from 9am onwards will be able to place an order. I apologise for any inconvenience this may cause families. I am hoping that these industrial issues, which have dragged on since December 2010, will be speedily resolved.

## **Division Athletics**

Amber W, Erin H, Gabrielle R, Nic R, Kyle N, Julian L, Hannah E, Zoe C, Jack B, Jessica S and Jarret M represented our school and the Shamrock district at the Division Athletics Carnival after qualifying for their various events at regional level. At division level the standard of competition is extremely high and they did themselves, school and region proud. Each competitor was easy to spot wearing our NEW sports uniforms, with our White Hills students standing out in the crowd of 800 students.

## **Reminder to Parents: *Process for Late Arrival or Early Departure***

If your child arrives at school late of a morning or departs early in the afternoon, the parent / guardian (not an older brother or sister) must come to the office to sign them in or out, before they go to or leave class. You must also advise the school if another adult is picking up your child on your behalf.

## **Transition**

Prep teachers are now visiting pre-schools to get to know the children enrolled at our school for 2013. If you have not yet completed your enrolment form we ask that it be returned to the school office as soon as possible so that your child can be visited. Parents or older siblings can pick up enrolment forms from the school office or Mrs Ellis.

Parents must supply the school with the following documents for full enrolment:

- **A completed enrolment form** (available from the school).
- **A copy of your child's birth certificate** (the school will photocopy the original for you).  
Birth certificates can be ordered from the Victorian Registry of Births, Deaths and Marriages.
- **A copy of your child's immunisation certificate** (the school will photocopy the original for you).  
This document is issued by the Australian Childhood Immunisation Register, on completion of their 4 year old vaccine.

## **Let Us Know if You're Moving**

If your child / children will not be attending White Hills PS in 2013 due to your family moving on, could you please advise the school **now**.

If you know of families who intend enrolling their children at White Hills for 2013, please ask them to contact the school immediately, as planning for next year is underway.

## **Personalised Excursion Forms**

Our school is now printing personalised excursion forms, with family contact details and other information pre-populated in the form. This removes the need for parents to continuously complete these details for every new permission form. We'd ask parents to understand that the form takes time to re-print if it's been lost and we may not be able to issue you with another one on the spot.

## **Prep Familiarisation Days**

Our first Prep Familiarisation Day for children commencing school in 2013 will be held on **Monday, 22<sup>nd</sup> October** from 9.30am-11.00am.

Our second session will be held on **Tuesday, 23<sup>rd</sup> October** from 9.30am-11.00am.

These visits will consist of stories, making activities and play sessions both inside the classrooms and in the outside play area. Children are invited to attend **one** of these sessions and spend some time practising being Preps in readiness for next year.

**Remember to bring a hat** because if the weather is fine we will be spending some time outside.

Our November Familiarisation Days will be held on Monday, 19<sup>th</sup> and Tuesday, 20<sup>th</sup> November from 9.30am to 11.00am.

**Notices with full details of our Familiarisation Days will be distributed in Pre-schools or sent to parents early next term.**

## Factors Contributing to Children's Resilience

1. The individual traits of the child, such as assertiveness, empathy for others and a sense of humour.
  2. Relationships, including parenting, that meet the child's needs, getting along with others and being accepted by their peers.
  3. Community contexts, such as safety, security and routines, access to school and education and housing.
  4. Cultural factors, such as affiliation with a religious organisation, clubs and groups and tolerance of different ideas and beliefs.
- For workshops on developing children's resilience, contact Resilience Australia, on 94270407, or [info@embracefuture.org.au](mailto:info@embracefuture.org.au)

## Exercise

If children learn to love exercise at an early age, they will be more likely to grow up having exercise as a part of their lives. Physical activity is critically important for bone health, preventing unhealthy levels of weight gain and self-esteem. Development and mastery of fundamental movement skills, such as throwing, catching, balancing, running and jumping, are important from a very young age because this has been shown to be associated with participation in physical activity. Children who are highly active have better quality and longer sleep than inactive children.

### 10 ways to get kids active

- \*Limit television/computer/video games.
- \*Make activity safe-drink water regularly, wear good fitting shoes, warm up, cool down.
- \*Establish a routine and set a time aside each day for physical activity.
- \*Play with your children. \*Take advantage of incidental exercise-take the stairs, etc.
- \*Support your children's sporting efforts.
- \*Buy gifts that encourage children to be active-balls, bats, bike etc.
- \*Let your children choose the activity- dancing, bush walking, playground, bike ride, etc.
- \*If wet exercise inside-dance, play with balloons.
- \*Walk your children to school or part of the way if you live a distance away.

Principal

### Preps

#### Hint for the Week

- \*As part of a routine, read aloud daily for at least 10 minutes.
- \*Read three or four short stories daily. If your child loves a book, read it repeatedly.
- \*Various books are suitable, including picture and beginners' ones, especially those with rhyme.
- \*Read with expression, feeling and animation.
- \*Let children laugh at and sing about words.

#### Correcting Mistakes when Reading:

If the mistake does not make sense, lead the child to correct the mistake by allowing time to self-correct. If the child does not self-correct after about 30 seconds, ask him/her to reread, then, if the child does not notice the error, ask "Does that make sense?"

#### Term 4 Integrated Unit

We have commenced our unit of work on mini-beasts. If you find **safe** insects, cocoons, caterpillars, etc. at home could you please send them to school in a clear, plastic container for the Preps to observe.

#### Prep Reading

We would appreciate help listening to children read between 9.00am and 9.30am on any school day.

If you have not pre-paid swimming the cost of the swimming program will be \$47.00 which covers pool admission and lessons with trained instructors, equipment hire and bus transport to and from the venue each day. ## Camps

From all reports all students, teachers and parents had a great time on camp at both Maldon and Corop. We didn't have the best weather for the week but were still able to participate in most planned activities. We commended the students on their behaviour as both Grade 3's and 4's were exceptional.

We would like thank the parent helpers and students teachers for volunteering their time on the Grade 3 and 4 camps. Without our helpers we would not be able to run such programs. Thank you for helping make the experience enjoyable for our students.

Here are what some of the students thought of camp:

### Maldon

**Isaiah-** I liked the view from the top of Mount Tarrangower

**Matthew T-** I really liked the food and the mini golf.

## SENIOR SCHOOL NEWS

### Chinese Students

This week we have welcomed 4 Chinese students to our school. They have settled into the classrooms well and I am sure that the cultural exchange will be a valuable experience for both the Chinese students and our students.

### Camps Payments

Thank you to those parents who are making regular payments towards the camps. Both camps are to be paid in full 2 weeks prior to attending the camps.

### Asian Folktales

We have started writing our Asian folktales which will be produced as a Claymation using the program Monkey Jam. We will be modelling the figures with plasticine and using the webcams and many moves to then turn the frames into a movie. It is essential that the movements are very small so that the movie is not too fast as we have discovered in our practice movies.

### Congratulations to our Students of the Week

**Sam M** for the interesting words used in his writing

**Michael S** for working hard to complete each task on time

**Tyson W** for a great start to the term

**Do you share the hope for a cure for Type 1 Diabetes?**

This year Tree Logic is “Branching out to cure diabetes” and will be joining 40,000 other people who share our hope at the Walk to Cure Diabetes. Tree Logic has become involved because two of our director's families have children that are affected by this disease, which also affects 122,300 other Australians. It usually arises in childhood but it lasts a lifetime because it destroys the body's ability to produce insulin, which is vital for life. There is no cure - yet. Researchers are working hard to more fully understand the complicated mix of genetic and environmental factors that may cause or trigger this disease. But it is certain that going on a diet or cutting down on sugar doesn't stop type 1 diabetes. To be part of a better life for people with type 1 diabetes please visit our team web page. <http://walk.jdrf.org.au/VIC/TreeLogic/> Thank you for sharing our hope, Lee Carr, Office Manager
