

Grade 4 Camp

On Wednesday instead of going to school the grade 4s went to camp. We left at 9:30am. We did the activities mini golf, obstacle course, damper, nerf gun battle, riding, night walk and a little bit of orienteering.

When we came back from a look out point with a blink of an eye we were at our cabin. We were in cabin 6. I think that my cabin was cool but creepy because it looked like a really old jail cell and I did not sleep at all both 2 nights. The cabin had concrete walls, a mini kitchen and bunk beds that could fit 12 people in it. At night time it was lights out and it was dark when I mean dark I mean like pitch black dark but eventually I fell asleep.

The next morning I was up and ready for breakfast. For breakfast we had pancakes. They were delicious. After that I went to my cabin to rest for the big ride. When we came we did activities. My first one was damper. It was not good because it was not cooked at all. We put jam and margarine in it but it didn't make a difference. After all the activities it was dinner time. For dinner we had chicken, vegetables, chips and bread rolls. Then we went to bed.

In the morning I was on breakfast duty. Then we went on a bike ride to Butts Reserve. I was so hot when we got there but the camp manager's brought our drink bottles and afternoon snack. Then we went on a walk or ride. The people who went on a ride went on a Bush ride but the people who went on a walk went on an adventure. (Witch was funner! 😊😊😊😊😊😊). Then we rode back to camp. We went to the fantastic lolly shop and in the Christmas shop and then we went

back home.

I would like to thank Tash, Scott, and Kate and I would like to thank the teachers for bringing us because we wouldn't have gone without them. I enjoyed the red faces as well.
