## Principal's News

### 2018 Enrolments

Letters have been posted to families of Prep students in 2018 regarding placements at WHPS. Families who do not get a place will have the opportunity to be added to a waiting list. The waiting list will be maintained until the end of this term and families on this list will be notified as positions become available. Waiting list positions are still allocated according to the home address and its proximity to the school. Please feel free to contact me if you have any questions related to enrolment. For further information visit [Prep Information for 2018](#)

### Getting Ready for School Nights

Our next 'Getting Ready for School' Night will be held next **Tuesday, 8<sup>th</sup> August (English)** from 6pm-7pm in the Grade 6 rooms with childcare available.

### Follow up Head Lice Checks

Follow up checks are **Monday, 7<sup>th</sup> August**.

*Thank you to our helpers who work tirelessly to conduct these checks.* If you are able to assist, please contact the school office.

### Whole School Production Costumes

On Monday a letter was sent home to all families outlining the costume hiring cost for this year's production of 'Pinocchio' to be held on Thursday 14<sup>th</sup> & Friday 15<sup>th</sup> September. The cost will be a flat rate fee of \$5.00 per student.

### Hand, Foot & Mouth

We have had reported cases of Hand, Foot and Mouth in the school. Please exclude your child from school until all blisters have dried.

### Staff Car Park: Do Not Drop Off or Pick Up in This Area

We have noticed that there a few parents using the staff carpark again to drop of their children off in the mornings. Please note that the staff car park is for staff only. There are parks in the 2 minute bays vacant at this time right at the front of the school, parents are to use these bays and not drive into the staff carpark area. Many parents and children walk through this area to access the buildings. For children's safety we ask that you not drive in to this area to drop off or pick up children. Your support in this matter is appreciated.

### Energy Breakthrough Pizza Fundraiser

The Energy breakthrough team are conducting a pizza fundraising lunch on **Friday 18<sup>th</sup> August**. Families should have received an order form for this event. Last orders **Thursday 10<sup>th</sup> August 4.00pm**. (*can be ordered on Qkr*)  
No late orders will be accepted.

## Parent Opinion Survey 2017

### WE WANT OUR PARENTS TO TELL US WHAT THEY THINK

Our school is conducting a survey to find out what parents think of our school. The Parent Opinion Survey is an annual survey offered by the Department of Education and Training that is conducted amongst a sample of randomly selected parents at each school. It is designed to assist our school in gaining an understanding of parents' perception of school climate, student engagement and relationships with our parent community. Our school will use the survey results to help inform and direct future school planning and improvement strategies.

The survey will be conducted online by ORIMA Research Pty Ltd and only takes 15 minutes to complete. The survey can be accessed via desktop computer, laptop, tablet or mobile at any convenient time within the fieldwork period **from Monday 7<sup>th</sup> August to Sunday 27<sup>th</sup> August.**

Approximately 200 parents will be invited to participate in this year's survey. All responses to the survey are anonymous. If you receive an invitation letter about completing the survey from the school, it would be greatly appreciated if you could take the time to complete it.

The survey results will be reported back to our school at the end of September. The survey results will be communicated to parents via School Council and the annual reporting process.

For further information please do not hesitate to contact me at school or visit:

<http://www.education.vic.gov.au/school/teachers/management/improvement/Pages/performsurveyparent.aspx>

## Glasses for Kids program

Thanks to those families who have a child in grades Prep-3 who have already returned their form to participate in this wonderful initiative.

The scheduled date for screening at our school is: **Monday 14<sup>th</sup> August**

Parental consent is required for students to participate in the program. An information consent form has been sent home to parents. Please return by **Friday 11<sup>th</sup> August** if you would like your child to participate in this program.

Please read the information sheet thoroughly before giving your consent to participating in the program.

*Confidence

## Parking Around Our School

Members of the school community and residents in the area have raised concerns regarding the safety of children at the school caused by traffic congestion and illegal parking in the area. The City Of Greater Bendigo have a number of projects and works currently underway in the White Hills area:

- Construction of the Garden for the Future (behind the school) this is due to be completed in early 2018
- Goynes Road improvement works due to be finished in August
- Installation of the new bridge in Scott Street (September 2017)
- Major upgrade of Napier Street by VicRoads to be completed in 2019
- Development of the new Botanica green residential land subdivision off Priest Street due for completion around September this year.

These have had a significant impact on parking and the number of trucks in this area.

In an attempt to find a functional solution the City of Greater Bendigo have installed no parking signs in the bays at the front of the school in Plumridge Street.

As you will have noticed if you have picked up your child/ren from school recently, the City of Greater Bendigo parking officers have been around our school to help educate the community about the new signs.

The sign is shown here- The No Standing Sign (S with the line through it) indicates No Parking on school days between the hours indicated on the sign. No parking signs (large P with the line through it) allow vehicles to stop in the marked bays and pick up passengers. The driver must remain within 2 meters of the vehicle and the vehicle must leave the bay within 2 minutes of stopping. These requirements only apply within the times displayed on the signs.

If used correctly these restrictions are intended to increase turnover of parking in these bays, reducing congestion and allowing a higher number of vehicles to pull up to pick up children.

Some alternative options to avoid the congestion at 3:30pm is to pick up your child 5-10 minutes after the bell time as most cars have cleared out by this time or park in nearby streets such as Holdsworth Road, opposite the cemetery (75 metres from the crossing) or Hamelin Street, near the pool. There are always parks in these areas. Parking a distance from the school and walking the remainder of the journey or riding a bike and utilising the Bendigo Creek Linear Trail.

City of Greater Bendigo Traffic Officers and Bendigo Police will be conducting patrols of the area to ensure that all road rules are adhered to. Any parking or traffic offences that are detected may result in an infringement being issued.

It is anticipated that the **new staff carpark** will begin construction in the September school holidays with a building period of approximately 2-3 weeks. When completed there will be 40-50 additional parks in surrounding streets where staff currently park.

*Please let us know if there is anything further that we can do to support you here at WHPS*

Father's Day is fast approaching and we are seeking donations. All families are asked to please donate a gift to the value of \$2.00 per child, and drop them into the office ready for our stall.

Some gift ideas could be: chocolates, socks, hankies, pens, notepads, mugs, tools, plants/gardening, fishing tackle, sporting goods, car accessories, toiletries and novelties, etc. **Items must be new.** Please note that all gifts will be sold at \$2.00.

*If you are able to help on the day of the stall, please contact the office.*

## Woolworths Earn & Learn began last Thursday ...

Please support WHPS by collecting stickers from Woolworths Supermarkets. The more stickers/points you collect, the more our students will benefit by receiving much needed educational resources from Modern Teaching Aids (MTA).

If you, your family or friends shop at Woolworths, please collect the stickers at the checkout, and place them on a sticker sheet (60 stickers per sheet only please) and place them in the WHPS collection box either at your local Woolworths Supermarket, or place in the school office foyer's collection box. Please do not stick more than 60 on the sheet, as we will have to remove them. If you don't have enough room or no sticker sheet, we have more at the office, or just place the stickers as is, in the collection box (P&F Group will stick them on).

In 2015 WHPS reached 38,340 points. Our goal this year is 39,000!

Mandarin is the official language of China. According to an estimate, more than 1 billion people speak Mandarin all over the world. Two to three thousand characters will enable you to read a newspaper.

Today's character is "小" (xiǎo), which means "small or little". It is opposite in meaning to "大" (dà).
