**Principal’s News**

**Welcome**
A warm welcome to all our new and existing students and families. We wish you all a very happy and productive year.

**New & Returning Teachers**
We welcome back Emma Allan and Sarah Wood to White Hills PS from family leave. Welcome also to new teachers Rebecca Woods (5W), Stephen O’Connor (3O), Ainslee Donaldson (2RD).

**Doors Open at 8.50am**
Classroom doors are opened at 8.50am for children to set up for the morning class. We ask that children do not enter prior to this time as teachers are preparing classes or meeting with parents.

**Uniform Shop: New Opening Times**
The Uniform Shop will now be open from 3:30-4pm on Tuesdays and Fridays. An updated price and order form is available on the school website.

**Canteen Renovations Complete: Re-open this Week**
The renovation of our school canteen was completed over the school holidays. The canteen has recommenced operating this Wednesday and Friday.

**Helpers Needed: By Next Monday 9th February**
We are in desperate need of parent helpers. A parent helper request form went out to parents last year. Please collect a form at the office if you do not have one and return by next Monday.

*Your assistance is greatly appreciated.*

**Goal Setting Interviews:**
**Bookings Close Friday, 13th February at 4.00pm**
Notes have gone home today from your child’s classroom teacher explaining how to make an online booking for Goal Setting Interviews.
These interviews will take place at the school in the week beginning Monday, 16th February and will be completed by Friday, 27th February.
Bookings close at 4.00pm on Friday, 13th February. The interview is strictly 10 minutes and involves you and your child meeting with the class teacher to negotiate learning goals for the first part of the year. If you have other matters you wish to discuss with your child’s teacher, please contact them to organise an alternative meeting time.

**Staff Car Park: Do Not Drop Off or Pick Up in This Area**
Please note that the staff car park is for staff only. Many parents and children walk through this area to access the buildings. For children’s safety we ask that you not drive in to this area to drop off or pick up children. *Your support in this matter is appreciated.*
New Roundabout: Opens Next Tuesday, 10th February
City of Greater Bendigo has advised that Plumridge St (at front of school) will re-open next Tuesday, 10th February after completion of the new roundabout. Until this time the road will be closed at the front of the school. I’d ask that parents are considerate of residents in Sharon St and not park across their driveways.

Family Welcome Barbeque: Tuesday, 17th February
As a welcome to new and existing families a ‘Family Welcome Barbeque’ will be held on Tuesday, 17th February from 6pm at the school.

Free sausages in bread and cordial will be provided and teachers will conduct a range of games and activities for children. Teachers from grades 1-6 will also be running ‘Information Booths’ where parents can ask teachers about school/year level requirements & programs in an informal setting. These ‘Information Booths’ will replace the Parent Information Nights for grades 1-6 that we have conducted in previous years. Please note that a separate Prep Parent Information Night will be held on Thursday, 12th February from 6:30-7:30pm (see details in Prep section below).

The Welcome Barbeque is a great opportunity to meet your child’s teachers and other families within the school community. For catering purposes, a note has been sent home to all families today for you to indicate if you will be attending. Please fill out the cut off slip and return it to the office NO LATER than 4.00pm Thursday, 12th February. We look forward to seeing you there.

Children’s Medication
If your child requires medication administered during school hours, please bring it to Sabina in the main office.

All medication is to be kept at the office.

Naming Clothing
Each year we have a large amount of lost property at school. Please clearly name all clothing, including hats, so that it can be quickly returned to its owner.

How Much Is Too Much
Keeping children active and engaged-without over scheduling them is the new challenge for parents. These tips are from Kathy Walker a Melbourne education consultant. * For preschoolers, one or two activities outside the home are enough each week.* For primary children, two activities are enough on top of school and playing with friends. * Encourage kids to play on their own. Have lots of cardboard boxes, playdough, dressups, Lego and construction toys to encourage their imagination. This is important for future learning, problem solving and initiative. * Encourage outside play too. Allow kids time to make up games and work on their own imaginations. * Avoid rushing to activities straight from school. Allow children some downtime at home. Don’t undervalue the importance of just being at home. Value playing and mucking around at home without the TV or computer on. * For kids who show talent in a particular activity, allow them to focus on it. A single lasting commitment is better than a spread of activities that can detract from academic achievement. From "The Age."

Breakfast Program: Wednesday & Friday Morning
A school breakfast program operates from the school canteen before school on Wednesday and Friday mornings. We recognise the importance of children having breakfast to be ready for their learning at the start of the school day.

Grounds Works
Over the school holidays many of the required works for Stage 1 of our Grounds Master Plan have been completed. My thanks to Crawford Earthmoving for coordinating much of this work. You will have noticed the various aspects that have been completed between the main and Peter Davey buildings – extra fill in low lying areas, new paving, pattern concreting, drainage, planting of mature trees, new monster sandpit, asphaltling, etc. Temporary fencing is still in place until synthetic turf is laid, which will be completed in the very near future. Circular seats/guards will eventually be installed around the mature trees and additional seating/tables placed throughout the area to create a passive space. Once Stage 1 is complete, we will begin work on the next phase. Watch this space for updates!

Term 1 Curriculum Plans: Information for Parents
Term 1 curriculum plans for Grades Prep-6 will be available on the school website from next Thursday, 12th February. This information gives you an overview of what is being taught during Term 1 and can be accessed from the school website under the Curriculum tab.

School Assembly
School assemblies take place at 9.00am on Monday mornings. Parents are encouraged to attend. Assemblies form an important role in embedding our school culture and provide opportunity to bring our students together, recognise and celebrate achievements, promote positive behaviours and disseminate information to our school community. We look forward to seeing you at assembly.
**Compulsory Netbook Sessions: Grade 5 Students & New Grade 6 Students**

2015 Grade 5 parents and students (and new Grade 6 parents and students) will be required to attend a compulsory Netbook information session. The School Netbook Program will be outlined in the session and parents and students will sign an Acceptable Use Agreement.

- **Tuesday, 17th February,** 5.30pm-6:00pm, BJ Winzar School Hall
- **Wednesday, 18th February,** 9.15am-9:45am, BJ Winzar School Hall
- **Wednesday, 18th February,** 5.30pm-6.00pm, BJ Winzar School Hall

Students will be able to take their Netbook home after attending a compulsory information session, payment of the $100.00 Netbook contribution has been received and the Acceptable Use Agreement signed. A copy of the agreement will be provided to parents. Several times and dates for the information session have been provided to enable all parents and students opportunity to attend. A letter was sent home to relevant families today.

**Crossing the Road: Children & Parents Use the Crossings**

For your child’s safety we ask that all children use the crossing at the back of the school (Bosquet St) and wait for the duty teacher to assist them across the road. Parents should come and collect their child and take them across the road but no child should cross the road without an adult.

Similarly, we ask that at the front of the school (Plumridge St) ALL CHILDREN and accompanying parents use the designated school crossing to cross the road.

DO NOT CROSS AT THE BRIDGE – this is not a controlled pedestrian crossing.

**Personal Items Are Not Insured**

The Department of Education does not hold insurance for personal property brought to school. Parents, students and staff are reminded that personal items brought to school are at your own risk.

**Student Accident Insurance**

The Department of Education does not provide personal accident insurance for students. Parents are responsible for paying the cost of medical treatment for injured students, including any ambulance attendance/transport costs. Reasonable low cost accident insurance policies are available from the commercial insurance sector.

**Sunsmart Policy: Hats On**

All students are required to wear their broad brimmed hats, even when playing or participating in activities under our outside shelters.

Our SunSmart Policy is based upon the Cancer Council guidelines that hats should be worn when UV levels are above 3 on the index (usually around the beginning of September in each year). We source this information from the following website: www.bom.gov.au/products/UV/Bendigo_VIC.shtml

Hats off occurs when UV levels fall below 3 on the index (usually around the beginning of May in each year). 

*Please remember, no hat, no play and only school broad brimmed hats may be worn.*

**Early Notice: Pupil-Free Day on Tuesday, 10th March**

Teachers will be undertaking a professional development day on **Tuesday, 10th March.** Students do not attend school on this day. This is the day after the Labour Day long weekend – **Monday, 9th March** is a public holiday.

**Newsletter Online: Your Email Address Required**

The newsletter is posted online each week on a Thursday. Hard copies of the newsletter are NOT sent home.

Please fill out a parent email form (available at the office if you have not already notified us), or you can subscribe through our website at [www.whitehillsps.vic.edu.au](http://www.whitehillsps.vic.edu.au). Each Thursday you will receive an email notifying you that the newsletter is available on the school’s website. Click on the email link to access the newsletter.

**School Banking Program**

“For over 80 years, the School Banking Program has been teaching Australian kids smart saving habits and life-long money skills”.

School Banking will be on a Tuesday this year and will commence **Tuesday, 10th February.** The yellow bank books need to be posted into our payment post box at the school office before school commences each Tuesday.

**Wellbeing News**

Welcome back to our school for 2015. It is so lovely to see all our children’s smiling faces again. All students appear to have settled in extremely well to school. If you are noticing any problems at all, please contact your child’s teacher and have a discussion with them. It is nice to nip any little things in the bud; nice and early.

**Attendance: Every Day Counts**

Student attendance at school will be a major focus this year, as all students should attend every day, unless they are so sick they need to spend the day in bed resting.

Did you know that if your child has more than eight days away per year, it can have a severe effect on their academic progress?

Schooling is compulsory for all children. Daily school attendance is important to succeed in education and to ensure they don’t fall behind socially and developmentally.

If you have any questions about this topic don’t hesitate to contact me.

**Prep News**

**Prep Information Night**

An information night explaining programs undertaken by the Preps will be held on **Thursday, 12th February**, from 6.30pm to 7.30pm in the Grade 6 rooms. All parents are encouraged to attend this night as the classroom learning programs and how parents can assist in their child’s learning will be discussed. Childcare will be available in the Prep rooms, on this night.
Prep Assessment
As part of our Prep assessment program, some children and parents have been asked to attend school for a short time on **Wednesday, 11th February** to complete Maths/Language assessments. This testing, lasting about half an hour, will be carried out in the Prep rooms and parents/grandparents/carers are welcome to quietly observe their child being tested. Please note that some children will not be required to attend these Wednesday sessions as they will be assessed on other days. If you are unable to come to your assessment time please contact your child’s teacher as soon as possible.

Prep Attendance
Prep children do not attend school on Wednesdays until after the long weekend in March but if your child becomes tired on other days let them have a sleep-in if necessary and bring them to school at a later time. Some parents may prefer to pick up their child at lunchtime for a rest but remember to tell the class teacher and sign your child out at the office. If you have any concerns with your child at school please see your child’s teacher to arrange an interview time. Please note that for February the Prep children will be having their lunch at 1.00pm to allow them to have a playtime in the yard without the other grades. The children will return to their classrooms at 2.00pm for a quiet rest time before beginning afternoon activities.

Prep Information Bag
Prep children will soon be given a green bag containing materials for them to keep, and information to assist parents in understanding school programs. (We are short of bags and have ordered more and are waiting for these to come before distributing them to any children). We ask that parents read the information produced by the Department of Education and Early Childhood Development (DEECD) and keep it for future reference. **Would you please return the green bag to school, as it will be used to protect your child’s Learning Portfolio.**

Prep Parent Chat & Cuppa
We will hold a discussion and question time for Prep parents to give you the opportunity to discuss your child’s behaviour, development, separation from parents and ask questions about what is normal for a Prep child. This session will be held on **Monday, 9th February from 9:30am to 10:30am** in the staff room. Pre-schoolers are welcome. This will also be a time for parents to get to know each other over a cup of tea or coffee while learning about their child’s development.

Prep Sandwiches
We ask that no child has peanut butter or Nutella sandwiches for lunch as we have several children in the school that have severe allergies to any nut products.

Prep Reading
We would appreciate help from parents and grandparents, with listening to children read between **9.00am-9.30am** on any school day.

Transition Survey
Each year our school asks parents to complete a short survey to assist us in improving our transition program for Preps. This survey will be sent home next week and we would appreciate it if as many parents as possible would complete it and return it to the school office or Mrs Ellis. Thank you.

School Starting Time
The school doors open at 8.50am. We ask that children do not come into the classrooms before this time as teachers are often out of the classrooms preparing for activities for the day and children will not be supervised. **Entry for Preps is through the brick area next to the Prep rooms not through the front or hall doors.**

Hearing Children Read
One of the most important ways of developing children as readers is to hear them read and read to them daily. Parents can assist their children by listening to them read each day. The time you hear reading depends on your family activities. Some families hear reading in the morning when children are less tired, while others prefer the evening after tea, while some have their children read both evening and morning. Being read to from an early age is also essential for reading development. A love and interest in books grows from the special times before bed as parents or grandparent read to a child. Many people think that as a child gains fluency in reading, he or she no longer needs to read to an adult or be read to, however, reading out loud is important for older children too.

At school, children read to adults in a variety of ways. The class teacher hears children read their take home books and also hear each child read during and after weekly guided reading sessions. They also read to a parent/grandparent, who assists class teachers, while in class, children often read to their friends as they partner read and read information, reports and stories they have written. While listening to reading, teachers often take running records of children, noticing the strategies they use when reading. This assists teachers in planning future learning for students. During the year teachers use graded unseen texts with comprehension questions, to aid in the placement of children on reading levels. The understanding the children have of the text read is most important as knowledge of words and fluency is not a true test of children’s reading ability.

A love of reading is a special lifelong gift parents and teachers can give a child, so make reading an enjoyable, exciting and fun experiences for you and your child.
Prep Lunches
With our early lunch time, we ask that Prep children do not have lunch orders or over the counter sales at the canteen during February.

Grade 1/2 News
Name Belongings
Please make sure that all belongings have your child’s name on it. This includes hats, drink bottles, lunch boxes, containers, art smocks, reader and library bags. If you can name your child’s shoes then that would be very beneficial, as students take their shoes off in the classroom and become easily muddled up. Encourage your child to be responsible for their belongings.

Spare School Supplies
If you have spare stationary items at home from book packs, can you please send them along with your child to school as teachers hold on to them for safe keeping. Spare supplies are given out to the students when needed and this cannot be done if items are at home.

Drink Bottles and Brain food
Students are required to have a drink bottle to keep and access in the classroom. Ensure that it is named. A healthy snack is eaten throughout the day for brain food. If possible, can this be cut up and put in a container for students to eat in the classroom. Juicy, drippy fruits such as watermelon and oranges should be eaten outside and are not appropriate for brain food inside the classroom.

Reader and Library Bags
Remember to bring reader bags to school every day so that a new book can be taken home and read that night. Library bags will be returned to school and taken home once a week. Please ensure that your child has a separate reader and library bag. These bags can be purchased from the school uniform shop.

Junior School Teachers

Grade 3 News
Welcome
We welcome Mr O’Connor to the Grade 3 Team, and a huge welcome back to all our parents and students. What a fantastic group of students we have again this year.

Reading
We are beginning to settle into a routine. Take home reading books went home Monday and it is fabulous to see that a large percentage of our students are reading regularly. We are encouraging the students to fill in all sections of their reading log themselves. We would also like the parents to initial in the ‘pages’ section after they have heard their child read.

Homework
Many students have been asking about when Homework begins. It is great to see the enthusiasm. Term 1 Homework is easy for the students. We are ensuring the students get into the routine of taking homework home on Friday and returning it completed by the following Thursday. We have spent quite a lot of time going through the expectations of homework, i.e. neatness and ensuring students have; checked their spelling, corrected their maths, graphed their math results and had parents sign their book.

Interviews
Goal Setting Interviews are coming up (Monday 16th February – Friday 27th February). Forms showing how to book interviews went home on Thursday. If you are having difficulty logging on please come and see your child’s teacher. Bookings close Friday 13th February.

We are all looking forward to a great year together.

Grade 4 News
Welcome
We welcome everyone back for the year and would like to congratulate all Grade 4 students on their positive start to learning this year.

Teacher Catch Up
Just a reminder that if you wish to catch up with your child’s class teacher please make a convenient time to suit you both. Teachers are involved in staff meetings after school on both Monday and Tuesday afternoons. As mentioned earlier in the newsletter, we look forward to catching up with all families during Goal Setting Interviews and the welcome BBQ in coming weeks.
**Homework**
Homework booklets will be sent home tomorrow. They are of a similar format to last year, with a series of spelling and numeracy tasks. They are due back the following Thursday. Whilst we endeavour to run through each task before it is sent home, we ask that students check over expectations and see their classroom teacher if unsure early in the week.

**Readers**
It has been pleasing to note that many students have already re-established effective reading routines and are completing their reading log on a daily basis. We ask that parents hear their child read and write a comment in the log at least once a week. Students will also have copy of their weekly timetable to remind them of their daily tasks. The large plastic pockets in the book packs were ordered as reader bags, not pencil cases. We apologise for any confusion.

**Helpers**
We will be looking for parent helpers throughout the year. This includes hearing readers, contacting books and attending excursions and camps. Please see your child’s teacher with your availability.

**Grade 5 News**

**Welcome Back!**
Welcome back to the start of a new school year. The Grade 5’s have had a fantastic start to the term with their readiness to listen, participate and learn. We have welcomed some new students into the Grade 5’s this year so we hope they are enjoying WHPS.

**Lit Circle Books**
Your child has already brought home their Lit. Circle book with reading expectations for the week before the group activity on their novel. Students need to remember to bring their novel back for their grade’s weekly Lit Circle session. Listen to your child read some of their novel and you could also read some with them.

**Library Bag**
Students will need a bag for borrowing from the Library which will commence this week.

**Notes**
Look out for notes regarding the netbook information sessions and for booking your time for the goal setting interview.

**Welcome BBQ**
We look forward to seeing you at the Welcome BBQ which will also be an opportunity to view information and ask questions regarding our curriculum and events during the Grade 5 year.

*We look forward to a great year of learning.*

**Grade 6 News**

**Welcome Back!**
A big welcome back to students and their families for 2015! We are excited to be back for another school year and are happy to see all Grade 6 students back at WHPS with such a positive attitude.

**Lit Circle Books**
A reminder to parents that students have received their first Lit circle book for Term 1. Students are expected to read their book at home and bring it back to school each day in their clear plastic zip bag.

**House Captain Applications**
Students who wish to apply for the role of House Captain needs to write a written application. Applications for House Captain are due to Grade 6 teachers by Friday 6th February.

**Student Absences**
A reminder to parents that if your child is absent from school they need to provide their classroom teacher a written note the day after their absence that explains why they were away.

**Goal Setting Information Note**
Students will receive a note regarding Goal Setting Interviews today. This note explains how parents’ can book an interview with their child’s teacher. If parents are unable to book an interview themselves, they are welcome to come in and see their classroom teacher.
BUPA
BUPA starts Friday 13th February. Students who have permission from their parents will be riding their bikes to BUPA at 2:05pm on Fridays. If your child is participating, they will need to ensure they have their bike and helmet at school every Friday during the term they are involved in this program.
