### Principal’s News

**Bendigo Cup Day Holiday:** Next Wednesday, 28th October is our local public holiday for Bendigo Cup Day. The school will be closed on this day.

**Gift from Jinji Lake School**

At Monday’s assembly, our school was presented with a special gift from our Chinese sister school, Jinji Lake School. The gift is a Chinese fan, handmade from sandalwood, showing a scene from Suzhou’s famous Humble Administrator’s Garden. Our Chinese students Nina, Melody, Annie, Joe, Mike and their teacher Robert are enjoying their time at White Hills PS.

**Prep Familiarisation Days**

Our first Prep Familiarisation Day for children commencing school in 2016 will be held on **Tuesday, November 3rd and Wednesday, 4th November from 9.45am-11.45am**. These visits will consist of stories, making activities and play sessions both inside the classrooms and in the outside play area. Children will be allocated **one** of these days to attend school so they can spend some time practising being Preps in readiness for next year. Remember to bring a hat because if the weather is fine we will be spending some time outside.

Our second Familiarisation Days will be held on **Tuesday, 17th November and Wednesday, 18th November from 9.45am to 11.45am**. Notices with full details of our first Familiarisation Day have been distributed in Preschools or sent to parents at the start of next term. If you have not received a note please contact Jan Ellis.

We ask that your child attends school on their allocated Familiarisation Day. They will be in smaller groups over the two days to help them feel comfortable in their new school environment. Please do not change your day to another session as this results in an imbalance of student numbers.
Let Us Know If You Are Moving
If your child / children will not be attending White Hills PS in 2016 due to your family moving, please advise the school now. Also, if you know of families who intend enrolling their children at White Hills for 2016, please ask them to contact the school immediately, as it is crucial for our planning.

Asthma & Hay Fever Season
If children need medication for Asthma or Hay Fever through the school day please bring it to the school office, clearly named with pharmacy label attached. Make sure that the medication is in date. Inform the school office if your child has been medicated before school on any particular day.

Head Lice: Now is the Time to Check
We ask that all parents check their child/children’s head for head lice to reduce any infestation. Choose a regular date to check your child’s hair and treat if necessary, remembering that if one child in the family has head lice you will need to treat the whole family. Checks are easier in the sunlight and wearing a strong pair of reading glasses helps to magnify them. Reinfestation occurs if all the eggs are not carefully removed from the hair. This is best done by scraping your finger nails along the individual strands. If you find live lice or eggs in your child’s hair a second treatment must be done a week later, as eggs not killed and left in the hair will hatch, causing reinfestation.

The head lice program has ceased this year, so it is important that families are vigilant with checking at home.

Canteen Volunteers Needed Urgently
With our school numbers growing, we urgently need extra helpers in the canteen on a Wednesday or Friday from 12.30pm to approximately 2.00pm. If you are able to help, please leave your name and number at the office.

Lead By Example
From an article by Professor Geraldine Naughton, Sports Medicine Australia's spokeswoman on children's physical activity.
Children learn a great deal from their parents. If you want your children to eat well and exercise then lead by example. Children learn to like what they are familiar with. The best thing we can do as a family is model good food behaviour and good eating habits. So if you eat well as a family, your children will learn that this is what we eat as part of our food culture. One of the biggest issues with eating is snacking especially on foods that are not healthy. The time a child snacks is as important as what they snack on. Snacking before main meals will obviously result in them not eating much of the meal prepared. After school is a good time to snack, but make it a healthy one which won't fill them up too much.

The story is the same for exercise. Children with active parents are more likely to be active themselves and if children are active from an early age it will help them enjoy a happy childhood and become healthier adults. It is suggested that parents plan for free and preferably outdoor active play every day and set limits on the time spent on less active behaviours(eg. watching TV, using gameboys and computers.) Get into the game with your child. Get the whole family involved in a game of chasey or have races. Be silly. Let your children see how much fun they can have while being active. Put your kids in charge- Let each child take a turn choosing the activity of the day or week. Park further away from the shopping centre and walk some of the way, use the stairs instead of the lift or get up earlier and go as a family to walk the dog. But most of all, every activity should be fun. If children are enjoying themselves they are more likely to keep being active.

Bendigo Bank Fun Run
Mr Scoble has registered a White Hills PS team in the Bendigo Bank Fun Run, so if students and families are planning to participate please register in the school’s team.
In addition the school has individual student ‘pledge sheets’ (similar to our walkathon) that are available at the office. Students collect sponsors for the event and the money raised goes directly to Bendigo Community Health.
There are a variety of available distances to enter. For more information collect a pledge form at the office or go to www.bendigobankfunrun.com.au/

Damien Jenkyn,
Principal

Weeroona College Fiji Collection
The advance class at Weeroona College has asked our school to help them collect school supplies which they will use when they visit Fiji in late November. The aim of their trip is to help set up a school and therefore they are in need of lots and lots of school supplies which they will ship over before they leave.

They are in need of items such as pencils, pens, rulers, reading and writing books, glue sticks, etc.
The Grade 6 Community Connection group will be collecting these items over the next week. We ask that items be brought to school in a bag with your name on it. Grade 6 students will be coming around to the classrooms to collect items throughout the week. Prizes will be given to some lucky donors.
Any questions can be directed to Mr Byron.
Thanks for your support.

Over Half A Million Voices Will Strike GOLD On Thursday 29\textsuperscript{st} October For Music: COUNT US IN
Save the date: Thursday 29\textsuperscript{th} October, 2015
Music: Count Us In (MCUI), the much loved and highly anticipated event within the national school calendar, is now in its ninth year. This huge school initiative to be held on Thursday 29\textsuperscript{th} October 2015 at 12.30pm AEDT will see more than 500,000 students from over 2,100 schools sing the same song, at the same time, right across the country. From Bondi to Broome, Devonport to Darwin, Music: Count Us In gives children from all walks of life the opportunity to learn and practice a song that they play and sing with thousands of students from across Australia.

The aim of this annual event is to highlight the important role that music plays in educational development. Once again our whole school will meet in the shed at 12.30pm to perform this in this exciting opportunity and to be a part of an Australian wide experience. The School Senior Band and Choir will lead this event.

Double the Fun!
Scholastic’s ‘Buy One Get One Free’ Book Fair

The Library will be hosting a different type of book fair this term – Buy One Get One Free! Instead of the school receiving the commission for each book sold, you get it! With every book purchased you can select another book of equal or lesser value for FREE! And with the book fair so close to Christmas, it would be a great time to buy gifts for family and friends.

Put these dates into your calendar and start saving! First in best dressed. No reorders.

3 days only – 18, 19 & 20\textsuperscript{th} November.

Library Coordinator
Prep News

Pupil of The Week
Congratulations to our ‘Prep Pupils of the Week’ who are participating well in class activities and are working hard to develop their resilience skills. *Well done to Sam M, Ray, Nate and Angel!*

Walk To School in October
Over October we are encouraging the Prep children to participate in the Walk to School program. Children can ride, walk or scoot to and from school and the number of days they participate are recorded on a chart in our rooms. You can walk your children part of the way to school if you live a distance away. Eg from the Botanical Gardens.

‘Insect-A-Mania’ Mini beasts Incursion
We had lots of fun with the insects who came to visit yesterday!

Hint for The Week
The most important part of reading together is **enjoying** the book. Let children choose their own books and encourage them to talk about the books they have read.

Prep Reading
We would appreciate help with listening to children read between 9.00am and 9.30am on any school day.

Prep Swimming Program
The Prep swimming program will be held on the 12th, 19th, 20th, 23rd and 24th November, at the Eaglehawk Leisure Centre, YMCA indoor heated pool. The program will consist of five 40 minute sessions based on the development of swimming and water safety skills and will be overseen by Aust Swim trained instructors. Students will work in graded ability groups to enable all skill levels to be specifically targeted. The cost for this program is covered if you have pre-paid for Special Events, have qualified for the school’s 2015 Special Events Credit, or the recent state government Camps, Sports & Excursions Fund (CSEF). Contact the school office on 54430799 for further details.

**However, if you have not yet paid, the cost is $51.00 per child.**

This payment is due before 4.00pm on Monday, 9th November. As per the school’s Excursions policy, late payments will not be accepted.

Cash or EFTPOS payment can be made at the school office or pay online via the school’s QkR smartphone app. Please do not send any money until a special information note is sent home closer to the program commencing.
Prep Perceptual Motor Program (PMP)

PMP will continue next Monday, 26th October. We look forward to seeing our parent helpers at 2.30pm on Monday, 26th October. A second semester roster was sent home last week.
