Principal’s News

Parent 2016 Student Placement Request:
Closes 4.00pm Tomorrow

The process of allocating children to grades is very complex, with teachers and coordinators spending many days developing class groups based upon sound educational factors.

Class teachers have already worked with children to nominate five (5) of their friends who they believe they would work well with. We endeavour to place them with at least one (1) of their nominated friends.

We consider the following factors when determining grades: even distribution of academic ability within grades; separation of children who do not work well together; gender balance, interpersonal development, friendship groups; attitude, maturity, individual needs and behaviour.

Parents are invited to put in writing a placement request based upon educational and social factors only. Naming of a preferred class teacher is NOT part of this process.

Written requests are to be addressed to Damien Jenkyn, Principal, and forwarded by 4.00pm TOMORROW Friday, 13th November.

Verbal requests will NOT be considered. Late written requests will NOT be considered.

Only this year’s letters will be considered, so do not rely on previous letters (or conversations) with the Principal or Assistant Principal from past years. Parents should be aware that requests can place significant limitations on options for placement and there is no guarantee that a request can be met.

You will be advised in writing of your child’s allocated grade for 2016 on Thursday, 10th December.

Prep Familiarisation Days: Next Week

Our second Familiarisation Days will be held next Tuesday, 17th November and Wednesday, 18th November from 9.45am to 11.45am. We ask that your child attends school on their allocated Familiarisation Day. Please do not change your day to another session as this causes an imbalance of student numbers.

Helpers & Staff Morning Tea: Monday, 7th Dec
The school staff would like to acknowledge the continued support of all our school helpers by inviting you to join us for a morning tea in the staff room on Monday, 7th December at 11.00am. Please note this date in your diary/calendar. We look forward to seeing you there.

School Council
The next meeting will be held on Monday 16 November 7.00pm. Would all school councillors please attend.
The 2016 Book Pack, school charges and Special Events (Essential Items) will be sent home with current Grade Prep-5 students on Monday, 23rd November.

All Book Pack order forms must be returned to the office no later than Friday, 4th December, 2015 to enable us to finalise the order with our supplier. Please attend to this promptly.

As in previous years, we have endeavoured to keep costs down for parents. The school accepts pre-payment of Book Packs and school charges (Essential Items) prior to the end of the 2015 school year at the school office or via the QkR smartphone app. Parents choosing to pre-pay Book Packs & school charges in 2015 will be able to collect Book Packs from a ‘Pre-Paid’ area on our Book Pack Collection Days on Thursday 21st & Friday 22nd January 2015.

This will help speed up the collection process.

Energy Breakthrough: Next Week

The White Hills Racing teams have been training hard all year for the RACV Energy Breakthrough event in Maryborough, which takes place next Thursday to Saturday, 19th – 21st November.

Thanks to Mr Byron and Mrs Price and parents who have supported the children throughout the year. Good luck and best wishes for next week everyone.

Building & Grounds: Works Continue

There will be several buildings and grounds projects beginning in the near future and continuing into the 2016 school year.

New Relocatable Buildings

Due to our increasing enrolments, we are entitled to new relocatable buildings. In coming weeks, the Department of Education contractors will install two new Mod 5 buildings. Each Mod 5 building contains two classrooms.

As per our grounds masterplan (click here), these relocatables will be sited in the current staff car park. This is so valuable play space and recreation areas are not taken up by buildings. Our future plan is to redevelop the car park at the front of the school, however the Department of Education have not allocated funds for these works and School Council will be following up potential funding sources. Siting of the new buildings will involve relocating the existing green storage shed behind our big sports shed. The ‘Energy Breakthrough’ shed will be removed but we will be constructing a new shed towards the rear entrance of the school.
Seating & Shade Trees on northern side of Peter Davey Building
The block retaining wall, gravel path, decorative gravel surfacing and asphalt was completed on the northern side of the Peter Davey Building last school holidays. To finish this area, seating will be installed and large deciduous trees planted to provide shade.

Old Infant Playground Remodelled
School Council is currently seeking designs and quotes for replacing and remodelling the infant playground area. The first part of our works in this area has been the creation of an ‘adventure’ sandpit with large rocks and tree stumps. It has been very popular with the children.
Our local fundraising over the past two years has been put towards the ongoing upgrade of our play areas. The school is grateful for your support of our fundraising activities.

Electronic Excursion Permission Forms Now on QkR
Parents will now be able to complete electronic permission forms for excursions when completing a payment via our QkR smartphone app. This means you will not have to return a hard copy of a parent permission form to the school for your child’s excursion. If you have not yet set up QkR on your smartphone, instructions can be found by clicking on this hotlink: QkR set up guides

Do Not Enter Staff Carpark: Two Recent Accidents
Despite numerous mentions in the school newsletter and at assemblies, we continue to have people drive into the staff parking area during pick up and drop off times. I once again ask that parents and visitors do not drop off or pick up in this area.
Many parents and children walk through the car park to access school buildings. For everyone’s safety we ask that you not drive in to this area to drop off or pick up children. In recent weeks we have had two staff members’ cars damaged by people driving into the car park.
Your support in this matter is appreciated.

Top Tips To Helping Your Kids Excel
(Tips from the Smith Family.)
Create a quiet time for your child to study at home, and make it part of the family’s routine.
Read to your child.
Praise your child for asking questions and encourage them to seek the answers through resources such as the local library and the internet. Ask your child what their learning at school and try to reinforce it at home.

Principal

Aerobics Trials for 2016 Teams
We have been holding come and try aerobics sessions at lunchtime, over the last few weeks. Today students were shown a mini routine in which they have a week to learn. This routine along with compulsories (high leg kicks, jumping jacks, straddles sit and push ups) will need to be shown to the coaches at trials. We will be looking for students who have shown they have practised and learnt the routine, have been committed to coming to the come and try sessions and have a positive attitude.

Trials for our school aerobics teams for next year will be held next Thursday, 19th of November, at lunchtime. Students will need to return a signed permission slip, by this date, if they wish to tryout. Students will find out within the week if they have made a team. It is very important that students and parents understand that there may be limited places in the teams. Staffing, funding and time limitations mean that we may not be able to include every child that demonstrates an interest in the program.

Thank you

Jaclyn Tanner
Aerobics co-ordinator

Please support “The White Hills Primary School Christmas Tree”

_A Big thank you to all the students who made these amazing decorations!_

Bendigo Marketplace is giving away **$10,000** to one very lucky Bendigo school and we are delighted to invite your school to take part in our “**Money Can Grow on Trees**” Community Campaign which will be held from the 2nd November 2015 until the 13th December 2015.

Due to the wonderful response last year we have decided to run the community campaign again and are thrilled to let you know that this year will be bigger and better than the last and for those of you who missed out last year, this is your opportunity to sign up. Bendigo Marketplace will be giving away a total of **$15,000** in cash grants to winning schools. This year ISPT (owner of Bendigo Marketplace Shopping Centre) is partnering up with Bendigo Marketplace to share in the gift of giving by awarding an extra **$20,000 worth of books** to be shared equally among all participating schools. Each participating school will also receive a sports pack.

The Campaign: Local schools are encouraged to let their students Christmas spirit shine by creating handmade decorations which will then be displayed on a Christmas tree in the Bendigo Marketplace for all to see. Parents, friends and family can then vote for their favourite decorated tree by placing their **Bendigo Marketplace receipts in the voting boxes provided.** The school with the most votes at the end of the promotion will be awarded cash grants and other prizes.

**THE 2015 PRIZES ARE:**

- 1st place prize: **$10,000**
- 2nd place prize: **$3,000**
- 3rd place prize: **$2,000**
- **+$20,000 in school book resources divided between all participating schools thanks to ISPT Super Property.**

Scholastic’s ‘Buy One Get One Free’ Book Fair

The Library will be hosting a different type of book fair this term – Buy One Get One Free! Instead of the school receiving the commission for each book sold, you get it! With every book purchased you can select another book of equal or lesser value for FREE! And with the book fair so close to Christmas, it would be a great time to buy gifts for family and friends.

Put these dates into your calendar and start saving! First in best dressed. No reorders. 3 days only – 18, 19 & 20th November.

Prep News

Pupils of The Week

Congratulations to our ‘Prep Pupils of the Week’ who are participating well in class activities and are working hard to develop their resilience skills. Well done to Ebony R, Jazmin, Alice and Deon.

Prep Tea And Games

As part of the school camping program the Prep children will be having tea and games together on Friday, 27th November. The night will begin at 5.00pm on the school playground for play and tea and then move into the school hall for musical games and dancing until 7.00pm. Cost for the night is $6.00 to be paid at the school office or via QkR by Tuesday, 24th November. The cost for this program is covered if you have qualified for the school’s 2015 Special Events Credit, or the recent state government Camps, Sports & Excursions Fund (CSEF). A permission form and further information has been sent home with your child this week.

Prep Swimming Program

The Prep swimming program will continue on the 19th, 20th, 23rd and 24th November, at the Eaglehawk Leisure Centre, YMCA indoor heated pool. The program will consist of five 40 minute sessions based on the development of swimming and water safety skills and will be overseen by Aust Swim trained instructors. Students will work in graded ability groups to enable all skill levels to be specifically targeted.

Hint for The Week

Do make reading fun. Read first if your child wants you to. If your child doesn’t seem interested in the book he or she have brought home choose another book to read together. Take turns to read parts of the story with your child.

Drink Bottles

With the weather becoming hotter it is important that all children have their water bottles for use in the classroom.

Sleep

As the year is getting busier we have been noticing some of our Junior School children are becoming very tired, resulting in lack of concentration, tears and grumpiness. It is suggested by researches that children of Prep age require up to 11 hours sleep a night to function at their best. Please encourage your child to be in bed at around 8.00pm (we know this is difficult with daylight saving) so they can be ready for learning the next day.

Learning Portfolios

We ask that all Learning Portfolios are returned to your child’s class teacher next week so new work samples can be placed in them.

Prep Reading

We would appreciate help with listening to children read between 9.00am and 9.30am on any school day.
