2016 Book Pack Orders & School Charges: Distributed Next Monday 23rd November; Return before Friday, 4th December

The 2016 Book Pack, school charges and Special Events (Essential Items) will be sent home with current Grade Prep-5 students on Monday, 23rd November.

All Book Pack order forms must be returned to the office no later than Friday, 4th December, 2015 to enable us to finalise the order with our supplier. Please attend to this promptly.

As in previous years, we have endeavoured to keep costs down for parents. The school accepts pre-payment of Book Packs and school charges (Essential Items) prior to the end of the 2015 school year at the school office or via the QR phone app. Parents choosing to pre-pay Book Packs & school charges in 2015 will be able to collect Book Packs from a ‘Pre-Paid’ area on our Book Pack Collection Days on Thursday 21st & Friday 22nd January 2015.

This will help speed up the collection process.

Please note: Book Pack Information for 2016 Preps has been distributed to families on the Familiarisation Days this week. Order forms will need to be returned on or prior to Orientation Day on Tuesday, 8th December.

The cost of Special Events and Voluntary Contributions will be outlined in information sent home to families on Monday, 23rd November. Parents can also pre-pay Special Events and Voluntary Contributions prior to the end of the 2015 school year.

Please Note
Gr 1 Tea will be postponed until next Thursday 26th November due to today’s extreme weather conditions.
2016 Student Placement Request from Parents: Now Closed
Parent written requests regarding 2016 student placement closed last week. Late written requests will NOT be considered.

2015 Special Events Credit Ends
The White Hills PS School Council 2015 ‘Special Events Credit’ will not continue into 2016. This was an initiative put in place for 2015 only. Parents will now need to pay for Special Events.
This year the new state government established the Camps, Sports & Excursion Fund (CSEF) which provides $125 credit for each primary-age student whose parent/guardian is the holder of a valid means-tested concession card.
See the CSEF letter in your book pack information for further details.
Because the CSEF is paid to the school in term 3, School Council allocates the funds towards:
- school camp for students in grades 3-6
- the overnight stay/party tea, major excursion, other incursions/excursions during terms 3 & 4 for students in grades Prep-2

Orientation Day: Tuesday, 8th December, 10:30am-1:30pm
New Preps
Orientation Day for those children commencing school in 2016 will be on Tuesday, 8th December from 10.30am - 1.30pm. During this day the children will be participating in play and activities while their parents attend an information session in the hall. Details of this transition session and book orders have been sent home with new Prep children at their second familiarisation session this week. If you do not receive this information please see Jan Ellis. Please mark this date on your calendar so you and your child can participate in this important transition session.

Grade 6 Students going to Secondary School
On this day children from Grade 6 will spend the day at their 2016 secondary school.

Current Grade Prep-5 Students
Children in Grades Prep-5 will be given the opportunity to work in their 2016 year level from 10:30am-1:30pm so they can become familiar with each room. Any children who are new to White Hills PS in 2016 have also received a letter of invitation to attend this orientation session.

Helpers & Staff Morning Tea: Monday, 7th December
The school staff would like to acknowledge the continued support of all our school helpers by inviting you to join us for a morning tea in the staff room on Monday, 7th December at 11.00am. Please note this date in your diary/calendar.

Canteen Milk is Changing
Please note that we will no longer be selling Nippy’s Milk at the canteen. We have limited stock of honeycomb available. We will be replacing Nippy’s with Breaka. Flavours available will be choc, strawberry, iced coffee and vanilla.

Sale/Donation of Second Hand Uniforms for 2016 Preps
We are looking for second hand uniforms in small sizes 4-6, preferably summer uniform. If you have uniform that no longer fits your child and would like to sell at a reduced rate or donate, please hand in at the office.

Electronic Excursion Permission Forms Now on QkR
Parents will now be able to complete electronic permission forms for excursions when completing a payment via our QkR smartphone app. This means you will not have to return a hard copy of a parent permission form to the school for your child’s excursion. If you have not yet set up QkR on your smartphone, instructions can be found by clicking on this hotlink:

Do Not Enter Staff Carpark: Two Recent Accidents
Despite numerous mentions in the school newsletter and at assemblies, we continue to have people drive into the staff parking area during pick up and drop off times. I once again ask that parents and visitors do not drop off or pick up in this area.
Many parents and children walk through the car park to access school buildings. For everyone’s safety we ask that you not drive in to this area to drop off or pick up children. In recent weeks we have had two staff members’ cars damaged by people driving into the car park.
Your support in this matter is appreciated.

End of Term Dismissal: Early Finish at 1:30pm
All students will be dismissed at 1:30pm on Friday, 18th December. Children will have their normal morning recess break at 11.00am and then have lunch at home after dismissal at 1:30pm.
**Terrorist Attacks in France: Advice for Parents**

Children and young people will have seen and heard about the terrorist attacks that occurred in Paris on Friday, 13th November 2015.

Children often worry and know more than we realise. Adults may assume that children are doing okay if they don’t talk or ask questions about what has happened. Sometimes they have questions they may not ask unless we provide the opportunity. Most children and young people will experience normal reactions to something that is distressing and with support from trusted adults around them these reactions will subside.

Routines are important when an event like this occurs. School can be very useful to support all children and young people.

Remember sometimes teachers and parents feel like we don’t have the answers. It is helpful to remind children and ourselves that there are people working hard to make the current situation better.

Please consider the following:

- It is wise for you to monitor your child’s exposure to television coverage, print media and social media.
- Some children and young people will want to talk about the tragic events and try to make sense of what they have both seen and heard.
- Other children will avoid any discussion around the events and will be reassured by routine and normality.
- Remember the importance of routine, sleep, exercise and healthy eating.

There is a range of things you can do to assist your child during events such as this, including:

- Acknowledge that the event was distressing
- Reassure children that they are safe
- Look for signs of distress (e.g. some children/young people might be scared)
- Normalise responses - typical response will range from anger to general upset or sadness
- Maintain a normal routine - keeping the structure at home or at school in place
- Allow children to express feelings as they arise
- Telling stories about how people manage during difficult times can be helpful.
- Separate fact from fiction e.g. children may express fears about unrelated events.
- Plan relaxing activities before bed – talk your child through a gentle relaxation, this might include using soothing music and talking them through relaxing tension in their body or simply reading something to them that induces relaxation (i.e. a favourite book).
- Speak in hopeful terms – children and young people will often take their cues from their parents’ reactions; if you are honest, calm, compassionate and open they will be much more able to trust that they will be okay.
- Always remember the value of doing something with children that they like to do such as playing, exercising, being outdoors - have a time during your day to share time with your child.

**Whole School Carols Night: Tuesday, 15th December**

Our school Carols Night will be held on **Tuesday, 15th December** in our school grounds. The night will commence with families bringing their own basket tea at 6.00pm, the school band will commence playing at 6:15pm, followed at 6.30pm by class performances. It is expected that the night will conclude before 8.00pm.

As all children at the school will be involved in this night we ask that parents keep this date free and we look forward to your attendance.

The format of the Carols Night is as follows:

- The event is **alcohol-free**. As the evening involves children, we ask that parents, friends and relatives do not bring alcohol.
- The **playground area** is out of bounds during the performances. We ask that parents supervise their children (of all ages) to ensure they are not on the playground during performance times.
- School buildings and grounds are **smoke-free**. This is a state law.
- School children are to be seated in their class groups in front of the stage area so they are ready to go on for their performance. They should not be sitting with their family.

Adults should display good audience behaviours by facing towards the performers and limit their talk whilst performances are taking place.

**Tips For Gadget Gifts**

*By Dr Larry Rosen.*

**Under 5:** Stay with technologies that have been designed for this age group. Certain games and apps are perfect for young children but the time they are allowed to use them should be strongly limited.

**5-10 year olds:** Select technologies which are going to provide learning experiences rather than babysitting. Co-viewing is still important, and limit online communication, particularly unsupervised.

**10-15 year olds:** If you allow your children to play video games, pay attention to the ratings. Choose technologies that can be shared with the family and are developmentally appropriate.

Last day tomorrow Friday, 20 November! Scholastic's 'Buy One Get One Free' Book Fair

The has been hosting a different type of book fair this term – Buy One Get One Free! Instead of the school receiving the commission for each book sold, you get it! With every book purchased you can select another book of equal or lesser value for FREE! And with the book fair so close to Christmas, it would be a great time to buy gifts for family and friends.

**Hip Hop Dance Trials**

We have been holding come and try hip hop dance sessions at lunchtime, over the last few weeks. Students have been learning a mini routine in which they will need to perform at the trials for next year’s team. We will be looking for students who have shown they have practised and learnt the routine, have been committed to attending come and try sessions and have a positive attitude.

Trials for our hip hop dance team for next year will be held next **Wednesday, 25th November**, at lunchtime. Students will need to return a signed permission slip, by this date, if they wish to tryout. Students will find out within the week if they have made a team. It is very important that students and parents understand that there may be limited places in the teams. Staffing, funding and time limitations mean that we may not be able to include every child that demonstrates an interest in the program.

Thank you

**Prep Tea And Games**

As part of the school camping program the Prep children will be having tea and games together on **Friday, 27th November**. The night will begin at 5.00pm on the school playground for play and tea and then move into the school hall for musical games and dancing until 7.00pm. Cost for the night is $6.00 to be paid at the school office or via QkR by **Tuesday, 24th November**. The cost for this program is covered if you have qualified for the school’s 2015 Special Events Credit, or the recent state government Camps, Sports & Excursions Fund (CSEF).

A permission form and further information has been sent home with your child this week.

**Drink Bottles**

With the weather becoming hotter it is important that all children have their water bottles for use in the classroom.
Congratulations to our Birthday Children

Prep Swimming Program
The Prep swimming program will continue on the 20th, 23rd and 24th November, at the Eaglehawk Leisure Centre, YMCA indoor heated pool. The program will consist of five 40 minute sessions based on the development of swimming and water safety skills and will be overseen by Aust Swim trained instructors. Students will work in graded ability groups to enable all skill levels to be specifically targeted.

Hint for The Week
Encourage your child to write letters to their friends, a prep they want to make happy or someone they have difficulties playing with, etc. The only thing we have to remember is that only friendly and kind things can be said in our letters and cards. Please encourage your child to reply to any letters they receive.

Booklists For Grade 1
Parents are asked to note that the whiteboard, duster and reader and library bags purchased in the Prep Booklist at the start of 2015 will be passed on to your child’s Grade 1 teacher at the end of this year for use in 2016.

Sleep
As the year is getting busier we have been noticing some of our Junior School children are becoming very tired, resulting in lack of concentration, tears and grumpiness. It is suggested by researches that children of Prep age require up to 11 hours sleep a night to function at their best. Please encourage your child to be in bed at around 8.00pm (we know this is difficult with daylight saving) so they can be ready for learning the next day.

Learning Portfolios
We ask that all Learning Portfolios are returned to your child’s class teacher next week so new work samples can be placed in them.

Prep Reading
We would appreciate help with listening to children read between 9.00am and 9.30am on any school day.

Grade 1 Parent Helper Session
The Grade 1 classes are holding another Parent Helper session on Monday, 7th December, from 12:40pm-1:30pm. Parents are encouraged to think of their own short 40 minute activity that they can run with a small group of students. Come and talk to the Grade 1 teachers if you would like to volunteer and have an idea.
