Educational Maintenance Allowance (EMA) Ends
This letter from White Hills PS School Council has been sent home to all families:

Dear Parents/Guardians,

Our School Council is writing to you regarding the state government ceasing the Education Maintenance Allowance (EMA) from 2015.

This allowance was provided directly to families who were the holders of a valid Health Care Card or Pensioner Concession Card and was designed to help with schooling costs. If parents elected to pass on this allowance to White Hills PS, we directed it towards the cost of Special Events (i.e. excursions/incursions such as swimming, gym, visiting performers, etc.)

The current state government has decided to no longer provide the Education Maintenance Allowance (EMA) directly to families in its current form. It is instead allocating funds directly to qualifying schools from 2015 onwards.

The Department of Education uses a School Family Occupation Index (SFO) to categorise schools and only those schools with an SFO above the state median of 0.5135 will qualify for any additional funding in 2015.

White Hills Primary School has an SFO of 0.6217 and will therefore qualify to receive some additional funding in 2015. (Please note that funds directed to qualifying schools in 2015 will not be the same amount as the previous EMA funding.)

What does this mean for you?
From 2015, White Hills Primary School Council will continue to support families who are the holders of a current and valid Health Care Card or Pensioner Concession Card as of the first day of term 1.

This support will involve covering the cost (in full) of Special Events for 2015 – swimming program, Life Education Van, school visiting performers and the Jets Gymnastics program.

School Council WILL NOT cover the cost of major excursions or school camps. This is consistent with what we have done in previous years.

Please note that any families who are the holders of a Health Care or Pensioner Concession Card who enrol in the school on or after 1st March, will not receive this funding support from School Council in 2015.

School Council is working hard to minimise the financial burden of educational costs on our families.

What about the ‘School Kids Bonus’?
At this stage the federal government’s ‘School Kids Bonus’ will come to an end in July 2016. Those families receiving Family Tax Benefit Part A can receive up to $410 per primary-age child (paid in 2 instalments January/July). School Council recommends families put this payment aside to cover expenses at the beginning of the school year such as book packs, uniforms and other requisites.

Should you require further information, please contact the school or a school councillor.

Use the Designated School Crossing on Plumridge Street
We ask for parental support in ensuring that ALL CHILDREN (even if accompanied by a parent) use the designated school crossing to cross the road.

DO NOT CROSS AT THE BRIDGE. The road crossing at the bridge is not a controlled pedestrian crossing and we have had near misses, as motorists and pedestrians are unsure of who has right of way. Your support in this matter is appreciated.

Process for Late Arrival after 9.00am
There are a number of students arriving late to school who are not accompanied by an adult. This is a parental duty of care issue.

A parent or adult (over 18 years of age) MUST sign their child/children in at the office in the sign in/out book if they arrive after the 9.00am bell. The child is then to hand the tear off slip to the class teacher when they arrive at the classroom. Latecomers are NOT to go directly to their classroom.

Your support with this process is appreciated.
Whole School Carols Night: Wednesday, 17th December

Our school Carols Night will be held on **Wednesday, 17th December** in our school grounds. The night will commence with families bringing their own basket tea at 6:00pm, the school band will commence playing at 6:15pm, followed at 6.30pm by class performances. It is expected that the night will conclude before 8.00pm.

Parent Club will be providing a Sausage Sizzle from 5:30pm until the performance commences. A limited supply of sausages in bread will be available at $2 each until they are all sold.

**As all children at the school will be involved in this night we ask that parents keep this date free and we look forward to your attendance.**

The format of the Carols Night is as follows:

- The event is **alcohol-free**. As the evening involves children, we ask that parents, friends and relatives do not bring alcohol.
- The **playground area is out of bounds during the performances**. We ask that parents supervise their children (of all ages) to ensure they are not on the playground during performance times.
- School buildings and grounds are **smoke-free**. This is a state law.
- School children are to be seated in their class groups in front of the stage area so they are ready to go on for their performance. They should not be sitting with their family.
- Adults should display good audience behaviours by facing towards the performers and limit their talk whilst performances are taking place.

Helping Children Cope With Stress

Our first instinct might be to shield our children from stressful situations, but not teaching resilience can be detrimental to their wellbeing. Instead of telling your children what to do, show them what they can do. Many children aren’t taught to problem solve because we tend to fix things for them. But if they can look at a problem and generate a few options about what they can try, then they’ll feel more in control. Show your children how to break a problem into manageable parts, then encourage them to have a go— it doesn’t have to be the perfect solution— and see what works for them.

End of Term Dismissal: Early Finish at 1:30pm on Fri, 19th Dec

All students will be dismissed at 1:30pm on Friday, 19th December. Children will have their normal morning recess break at 11.00am and then have lunch at home after dismissal at 1:30pm.

Lost Property

There are many items in the lost property box; any unclaimed items will be donated to goodwill at the end of term.

Helping Children to Be Organised

(From Michael Gross)

Many children, particularly boys, need extra assistance getting organised. They may have great intentions but they just can’t seem to see the fine details of what they should be doing. If this sounds familiar then consider using lists to give your child the organisational map that he or she needs. If you have children who always forget what to do in the morning, list five things they must do before they put a foot out of the door each day. Be specific and stick to the important stuff. A list may read: Make breakfast, clean teeth, pack bag, etc. Place the list in a prominent place and make it attractive or, at least, easy to read. If you have pre readers then use symbols or simple pictures as well as words. This may not be ground breaking stuff but it works. Ask your children to tick off each activity or just make a mental note when each is done. This type of reward works well with boys, who respond favourably to short-term goals. If you want children to have a tidy bedroom then place a list of the five jobs that they must do to keep it tidy behind their door. Let’s face it; children have their own version of tidiness so you may have to make it clear what tidiness means. The use of lists helps children to be organised and takes the onus off you to always tell them what to do.

Christmas Toy Collection
Last Chance to Donate
Collection finishes Tomorrow!

Every year for the last few years we have conducted a collection of supplies for incorporation into Christmas Hampers, for those who are less fortunate than ourselves within our school and wider local community.

This year we are collecting New toys and books for distribution.
This collection finishes tomorrow, Friday 5th December. A Christmas tree has been placed in the hallway near the office for placement of these items, which will be collected by Bendigo Baptist Community Care, for incorporation into Christmas Hampers, many of which will then be distributed to families within our school community.

A big Thank you to all the families who have contributed to this very worthy cause.

Camp Round Up
Burnside camp was a great camp and the students were very well behaved. The students took part in many different activities both at camp, at the beach and the water park. Many students tried their hand at beating the teachers at beach soccer and on the aqua racer……not that successfully!!! We spotted a seal out in the ocean while we were rock pooling and Ben H found 34 sea stars.

Skype Session with the Kids Helpline Today & Tomorrow
Today students from 6M took part in a Skype session with the Kids Helpline. It was a great opportunity to liaise with an outside agency. The session focussed on transition to secondary school. The counsellors are well trained in this area and there was a chance for the students to ask questions and discuss how they might be feeling about transitioning to secondary school. We believe it will assist the students in felling less anxious about moving on from Primary school. All the other Grade 6s will have the opportunity to take part in this session tomorrow.

Netbook Returns by Tomorrow Friday 5th December
The process of collecting your child’s netbook has begun this week. Your child’s computer has been kept at school this week and most chargers have been returned. Please ensure your child’s charger is returned to school by Friday 5th December

Health & Human Relations Student Sessions Last Session Monday 8th December
Students have had their 1st 2 sessions of health and human relations over the last 2 weeks. Their final session will be held on Monday the 8th December (a date change from Tuesday 1st) Please continue discussing with your child the content of the lessons to ensure they fully understand the topics covered. If you would like further information you can contact Leona the school nurse. See your child’s classroom teacher for her contact details.

QUESTION BOX: Each class has a question box that students are allowed to write questions for Leona to answer. These questions must be written using the correct terminology and encourages your child to ask those tricky questions in a confidential manner.

Orientation Day Tuesday 9th December
Grade 6 students will be visiting their new secondary schools on Tuesday 9th December for an orientation day. If your child is going to Weeroona they have been notified by us as to which community they are in. They also need to take along their competed booklist form.
