2016 Book Pack Orders & School Charges: Return by Tomorrow

All Book Pack order forms must be returned to the office no later than tomorrow Friday, 4th December, 2015 to enable us to finalise the order with our supplier. Please attend to this now.

The school accepts pre-payment of all items prior to the end of the 2015 school year at the school office or via the QR smartphone app. Parents choosing to pre-pay Book Packs & school charges in 2015 will be able to collect Book Packs from a ‘Pre-Paid’ area on our Book Pack Collection Days on Thursday 21st and Friday 22nd January 2016 in the school hall. This helps speed up the collection process.

If you choose not to pre-pay the Book Pack and other charges, the Book Pack must be paid on collection day. See your Book Pack information for details.

2015 Special Events Credit Ends: Clarifying Letter Sent Home Last week

The White Hills PS School Council 2015 ‘Special Events Credit’ will not continue into 2016. This was an school-based initiative put in place for 2015 only due to the previous state government ceasing the Educational Maintenance Allowance (EMA).

In 2016 parents will now need to pay for Special Events – swimming, gym, Footsteps Dance and performances. This year the new state government established the Camps, Sports & Excursion Fund (CSEF) which provides $125 credit for each primary-age student whose parent/guardian is the holder of a valid means-tested concession card.

See the CSEF letter in your book pack information for further details.

Because the CSEF is paid to the school in term 3, School Council allocates CSEF funds towards:
- school camp for students in grades 3-6
- the overnight stay/party tea, major excursion, other incursions/excursions during terms 3 & 4 for students in grades Prep-2

For further information contact the school on 54430799.

Out of Uniform Day – Gold Coin Donation

On the last day of term, Friday, 18th December, we will be holding an Out of Uniform Day. All money raised will go towards Bendigo Health.

Canteen & Uniform Shop Closed: Last Day of Term

The Canteen and Uniform Shop will be closed on the last day of term, Friday 18th December.
School Shoes
An increasing amount of students are wearing slip on shoes or sand shoes. These are not appropriate for school and playing sport as they do not protect the feet from injury and do not fit with our required school uniform as stated in our policy. Please ensure you child/ren wear lace up sneakers to school. It is recommended that Prep children have Velcro instead of laces as it makes it much easier to pull shoes on and off during the day.

Helpers & Staff Morning Tea: Monday, 7th December
The school staff would like to acknowledge the continued support of all our school helpers by inviting you to join us for a morning tea in the staff room on Monday, 7th December at 11.00am. Please note this date in your diary/calendar. We look forward to seeing you there.

Orientation Day: Next Tuesday, 8th December, 10:30am-1:30pm
New Prep
Orientation Day for those children commencing school in 2016 will be on Tuesday, 8th December from 10.30am - 1.30pm. During this day the children will be participating in play and activities while their parents attend an information session in the hall. Details of this transition session and book orders have been sent home with new Prep children at their second familiarisation session last week. If you did not receive this information please see Jan Ellis. Mark this date on your calendar so you and your child can participate in this important transition session.

Grade 6 Students going to Secondary School
On this day children from Grade 6 will spend the day at their 2016 secondary school.

Current Grade Prep-5 Students
Children in Grades Prep-5 will be given the opportunity to work in their 2016 year level from 10:30am-1:30pm so they can become familiar with each room. Any children who are new to White Hills PS in 2016 have also received a letter of invitation to attend this orientation session.

2016 Grade Notification: Next Thursday, 10th December
Parents will be advised in writing of their child/children’s allocated grade/s for 2016 next Thursday, 10th December.
Grade 5 students will be away on camp on this date (10/12/15) and their notices will be distributed on the following Monday, 14th December. Grade 5 parents can collect the notice in person from Scott Ross or Damien Jenkyn after 3.45pm on the Thursday if they wish.

Step Up Session for Current Prep to Grade 5 Students: Wednesday, 16th December, 11:30am-1:30pm
A ‘Step Up’ transition session for our students in their 2016 grade groupings will take place on Wednesday, 16th December from 11:30am-1:30pm. Students will be involved in activities in their 2016 grade with their 2016 teacher. Students who are new to White Hills in 2016 have also been invited to attend the Step Up session. This will help prepare your child/children for transition into their new grade and help alleviate any anxiety associated with change. Current grade 6 students will be involved in an alternative program during this time.

Donate Second Hand Uniforms
We would be grateful for donations of second hand uniforms in small sizes 4-6, preferably summer uniform. If you have uniform items that no longer fit your child and are happy to donate, please see Alison Byron (Student Wellbeing Officer), Jan Ellis (Prep Coordinator) or our office staff. We are grateful for your support.

Student Reports: Distributed Wednesday, 16th December
End of year student reports and learning portfolios will be distributed on Wednesday, 16th December.

Electronic Excursion Permission Forms Now on QkR
Parents will now be able to complete electronic permission forms for excursions when completing a payment via our QkR smartphone app. This means you will not have to return a hard copy of a parent permission form to the school for your child’s excursion. If you have not yet set up QkR on your smartphone, instructions can be found by clicking on this hotlink:

Whole School Carols Night: Tuesday, 15th December
Our school Carols Night will be held on Tuesday, 15th December in our school grounds. The night will commence with families bringing their own basket tea at 6.00pm, the school band will commence playing at 6:15pm, followed at 6.30pm by class performances. It is expected that the night will conclude before 8.00pm.
As all children at the school will be involved in this night we ask that parents keep this date free and we look forward to your attendance.

The format of the Carols Night is as follows:
- The event is **alcohol-free**. As the evening involves children, we ask that parents, friends and relatives do not bring alcohol.
- The **main playground area** is out of bounds during the performances. Parents are welcome to supervise their pre-school children on the Prep playground during performance times but we ask that pre-school children are not to be running around any performance or sitting areas.
• School buildings and grounds are smoke-free. This is a state law.
• School children are to be seated in their class groups in front of the stage area so they are ready to go on for their performance. They should not be sitting with their family or on any playgrounds.

Adults should display good audience behaviours by facing towards the performers and limit their talk whilst performances are taking place. Your support is appreciated.

During this day the children will be participating in play and activities while their parents attend an information session in the hall. On this day children from Grade 6 will spend the day at their chosen Secondary Schools, while children in Grades1-6 in 2016 will be given the opportunity to work in each of their new year level grades during this morning so they can become familiar with each room.

Congratulations to our Birthday Children
**Booklists for Grade 1 2016**
Parents are asked to note that the whiteboard and duster purchased in the Prep Booklist at the start of 2015 will be passed on to your child's Grade 1 teacher at the end of this year for use in 2016.

**Reader and Library Bags**
Reader and Library bags and smocks will be sent home next week. We ask that parents wash these and store them ready to bring to Grade 1 next year.

**Helping Children Cope with Stress**
Our first instinct might be to shield our children from stressful situations, but not teaching resilience can be detrimental to their wellbeing. Instead of telling your children what to do, show them what they can do. Many children aren’t taught to problem solve because we tend to fix things for them. But if they can look at a problem and generate a few options about what they can try, then they’ll feel more in control. Show your children how to break a problem into manageable parts, then encourage them to have a go—it doesn’t have to be the perfect solution— and see what works for them.

**Prep Break-Up Party**
The Prep grades will have a special break-up party in the brick area on Thursday, December 17th beginning at 1.00pm. We ask that each Prep family brings a small disposable plate or container of party food for us to share. Please no food containing nuts. The children will still need to bring their playlunch and a drink on this day. Parents are welcome to join us for lunch.

**Learning Portfolios**
Learning Portfolios, containing work samples and your child’s second semester report, will be sent home soon. Some children have still not returned their portfolio. Would these please be sent to school tomorrow to allow teachers to complete them?

**Hint for the Week**
Research shows children who read and write in their holidays retain and improve skills taught in school. Over the holidays spend some time visiting the local Library. Look at and borrow books to read together. Keep reading and writing each day to maintain the great standard our children have reached this year. Just because the school year is ending, doesn't mean the learning has to stop!

**Sleep**
As the year is getting busier we have been noticing some of our Junior School children are becoming very tired, resulting in lack of concentration, tears and grumpiness. It is suggested by researches that children of Prep age require up to 11 hours sleep a night to function at their best. Please encourage your child to be in bed at around 8.00pm (we know this is difficult with daylight saving) so they can be ready for learning the next day.

**Drink Bottles**
With the weather becoming hotter it is important that all children have their water bottles for use in the classroom.
