Bookings close at 4.00pm tomorrow Friday, 13th February. The interview is strictly 10 minutes and involves you and your child meeting with the class teacher to negotiate learning goals for the first part of the year. If you have other matters you wish to discuss with your child’s teacher, please contact them to organise an alternative meeting time.

**Family Welcome Barbeque: Next Tuesday, 17th February**

As a welcome to new and existing families a ‘Family Welcome Barbeque’ will be held next Tuesday, 17th February from 6.00pm at the school. Free sausages in bread and cordial will be provided and teachers will conduct a range of games and activities for children.

Teachers from grades 1-6 will also be running ‘Information Booths’ where parents can ask teachers about school/year level requirements & programs in an informal setting. These ‘Information Booths’ will replace the Parent Information Nights for grades 1-6 that we have conducted in previous years.

The Welcome Barbeque is a great opportunity to meet your child’s teachers and other families within the school community. We look forward to seeing you there.

**Doors Open at 8.50am**

Classroom doors are opened at 8.50am for children to set up for the morning class. We ask that children do not enter prior to this time as teachers are preparing classes or meeting with parents.

School Council Election  
Each year, half of our school councilors finish their 2 year term of office, with the other half completing their term the following year. This provides continuity and a gradual changeover of School Council representatives throughout the years. Retiring Council members are eligible to renominate for an additional term of office, if they are still a parent at the school. This year, there are 4 parent vacancies, and 2 DET employee (Department of Education and Training) vacancies.  
Retiring Councillors are:  
Parent Members – (two years)  
Gavin Carter, Dion Costigan, Kingsley Morse-McKnabb, Tanya Miles  
DET Members – (two years)  
Lauren Ray, Bev Harvey  
I would like to express our gratitude and thanks to these School Council members for their valuable contribution to our school. Their work and commitment is greatly appreciated.  

In line with the Department’s scheduling of School Council elections, nominations are called from today, Thursday, 12th February 2015. Nominations will close at 4.00pm next Thursday, 19th February 2015.  
All information regarding the School Council Election process is displayed on the main notice board in the office foyer. Please contact Damien Jenkyn on 54430799 for further information.

Children’s Medication  
If your child requires medication administered during school hours, please bring it to Sabina in the main office.  
**All medication is to be kept at the office.**

School Assembly  
School assemblies take place at 9.00am on Monday mornings. Parents are encouraged to attend. Assemblies form an important role in embedding our school culture and provide opportunity to bring our students together, recognise and celebrate achievements, promote positive behaviours and disseminate information to our school community. We look forward to seeing you at assembly.

Compulsory Netbook Sessions: Grade 5 Students & New Grade 6 Students  
2015 Grade 5 parents and students (and new Grade 6 parents and students) will be required to attend a compulsory Netbook information session. The School Netbook Program will be outlined in the session and parents and students will sign an Acceptable Use Agreement. Several times and dates for the information session have been provided to enable all parents and students opportunity to attend. A more detailed letter was sent home to relevant families last week.

- **Tuesday, 17th February**, 5.30pm-6:00pm, BJ Winzar School Hall  
- **Wednesday, 18th February**, 9.15am-9:45am, BJ Winzar School Hall  
- **Wednesday, 18th February**, 5.30pm-6.00pm, BJ Winzar School Hall  

Students will be able to take their Netbook home after attending a compulsory information session, payment of the $100.00 Netbook contribution has been received and the Acceptable Use Agreement signed. A copy of the agreement will be provided to parents.

Crossing the Road: Children & Parents Use the Crossings  
For your child’s safety we ask that all children use the crossing at the back of the school (Bosquet St) and wait for the duty teacher to assist them across the road. Parents should come and collect their child and take them across the road but no child should cross the road without an adult. Similarly, we ask that at the front of the school (Plumridge St) ALL CHILDREN and accompanying parents use the designated school crossing to cross the road.  
DO NOT CROSS AT THE BRIDGE – this is not a controlled pedestrian crossing.

Personal Items Are Not Insured  
The Department of Education does not hold insurance for personal property brought to school. Parents, students and staff are reminded that personal items brought to school are at your own risk.

Student Accident Insurance  
The Department of Education does not provide personal accident insurance for students. Parents are responsible for paying the cost of medical treatment for injured students, including any ambulance attendance/transport costs. Reasonable low cost accident insurance policies are available from the commercial insurance sector.

Early Notice: Pupil-Free Day on Tuesday, 10th March  
Teachers will be undertaking a professional development day on Tuesday, 10th March. Students do not attend school on this day. This is the day after the Labour Day long weekend – Monday, 9th March is a public holiday.
Congratulations to our Birthday Children

Headlice Checks
Headlice Checks will not be running this term; we still require more volunteers. If you have not already put your name on a helper list and are able to help, contact Sabina in the office on 54430799. Training is provided and inspections take place on the second and third Monday of each term.

Sunsmart Policy: Hats On
All students are required to wear their broad brimmed hats, even when playing or participating in activities under our outside shelters.
Our SunSmart Policy is based upon the Cancer Council guidelines that hats should be worn when UV levels are above 3 on the index (usually around the beginning of September in each year). We source this information from the following website: www.bom.gov.au/products/UV/Bendigo_VIC.shtml
Hats off occurs when UV levels fall below 3 on the index (usually around the beginning of May in each year).
Please remember, no hat, no play and only school broad brimmed hats may be worn.

Schools are Smoke-Free Zones
Please be aware that by law schools are smoke free zones; this includes both within school buildings and grounds. We would also ask that smokers refrain from smoking at the entrances to the school.

Process for Late Arrival or Early Departure: It’s a Safety Issue
If a student arrives late to school, or departs early (for a valid reason), they must be signed in or out by an adult at the school office in the Sign In/Out book. Parents must NOT collect a child directly from the school yard or classroom. This is a parental duty of care and child safety issue.
A tear off slip from the Sign In/Out book must be provided to the class teacher for a late arrival or early departure. Latecomers are NOT to go directly to their classroom. Your support with this process is appreciated.

Newsletter Online: Your Email Address Required
The newsletter is posted online each week on a Thursday. Hard copies of the newsletter are NOT sent home.
Please fill out a parent email form (available at the office if you have not already notified us), or you can subscribe through our website at www.whitehillsps.vic.edu.au. Each Thursday you will receive an email notifying you that the newsletter is available on the school’s website. Click on the email link to access the newsletter.

Tips for a Healthy Start to the Day
*Make time for breakfast to help your child remain focussed throughout the day; turn off the television. *Eat together and talk about the day ahead. *Set the table the night before. *Make plenty of fresh food available. *Give your child meals with high fibre to help them feel fuller for longer.

Wellbeing News

Attendance: Every Day Counts
Student attendance at school will be a major focus this year, as all students should attend every day, unless they are so sick they need to spend the day in bed resting.
Did you know that if your child has more than eight days away per year, it can have a severe effect on their academic progress?
Schooling is compulsory for all children. Daily school attendance is important to succeed in education and to ensure they don’t fall behind socially and developmentally.
If you have any questions about this topic don’t hesitate to contact me.

Prep News

Prep Information Night Tonight
An information night explaining programs undertaken by the Preps will be held TONIGHT Thursday, 12th February, from 6.30pm to 7.30pm in the Grade 6 rooms. All parents are encouraged to attend this night as the classroom learning programs and how parents can assist in their child’s learning will be discussed. Childcare will be available in the Prep rooms.

Prep Assessment
As part of our Prep assessment program, some children and parents have been asked to attend school for a short time on Wednesday, 18th February to complete Maths/Language assessments. This testing, lasting about half an hour, will be carried out in the Prep rooms and parents/ grandparents/ carers are welcome to quietly observe their child being tested. Please note that some children will not be required to attend these Wednesday sessions as they will be assessed on other days. If you are unable to come to your assessment time please contact your child’s teacher as soon as possible.

Prep Attendance
Prep children do not attend school on Wednesdays until after the long weekend in March but if your child becomes tired on other days let them have a sleep-in if necessary and bring them to school at a later time. Some parents may prefer to pick up their child at lunchtime for a rest but remember to tell the class teacher and sign your child out at the office. If you have any concerns with your child at school please see your child’s teacher to arrange an interview time. Please note that for February the Prep children will be having their lunch at 1.00pm to allow them to have a playtime in the yard without the other grades. The children will return to their classrooms at 2.00pm for a quiet rest time before beginning afternoon activities.

Prep Information Bag
Prep children will soon be given a green bag containing materials for them to keep, and information to assist parents in understanding school programs. We ask that parents read the information produced by the Department of Education and Training (DET) and keep it for future reference. Would you please return the green bag to school, as it will be used to protect your child’s Learning Portfolio.

Transition Survey
Each year our school asks parents to complete a short survey to assist us in improving our transition program for Preps. This survey will be sent home next week and we would appreciate if all parents complete it and return it to the school office or Mrs Ellis. Thank you.
Prep Pancake Making
On **Tuesday, 17th February** we will be making pancakes at school. Hungry Preps just loves pancakes so we are asking for some brave parents to help us make lots of pancakes from 9.30 to 10.30am. If you can help, please see a Prep teacher for more information. **If your child has an allergy to flour, milk or eggs we ask that you send along a small amount of pancake mix in a named container that your child can eat safely. These pancakes will be cooked first in a clean frypan to stop any chance of children eating any trace of allergens.** We would also appreciate donations of lemons, maple syrup, honey, etc to go on top of our yummy pancakes.

**School Starting Time**
The school doors open at 8.50am. We ask that children do not come into the classrooms before this time as teachers are often out of the classrooms preparing for activities for the day and children will not be supervised. **Entry for Preps is through the brick area next to the Prep rooms, not through the front or hall doors.**

**Language Hint For The Week**
When children are early readers on Levels 1, 2 & 3, it is important that they point to each word and jump over the spaces as they read. We call this reading with our finger. Once a reader is confident with the tracking of words, teachers will ask them to read with their eyes only. Parents will be notified of this change through their child’s Reading Log.

**Buddies**
The Preps met their buddies from Grades 5 last Friday and spent a great time learning about each other. Our buddies are special big students who spend time with us each week and assist us at school.

**Prep Lunches**
With our early lunch time, we ask that Prep children do not have lunch orders during February as lunches are not prepared before 1.30pm. We also ask that children DO NOT have money to spend on over the counter sales at the canteen until the end of February, as we are at play when the canteen is open and it is difficult to find children in the yard to take them to the canteen.

Grade 3 News

Interviews
Goal Setting Interviews are coming up (Monday, 16th February – Friday, 27th February). Forms showing how to book interviews went home on Thursday. If you are having difficulty logging on please come and see your child’s teacher. Bookings close Friday, 13th February.

Homework
Homework was sent home with students last Friday night. It is great to see most students returning their homework with all sections completed. We ask parents to check to see that all sections are complete and sign the back page as an indication that you have seen your child’s work is complete. Homework is due back to school the following Thursday.

It is expected that students in grade 3 read to an adult a minimum of 4 times a week. Reading should be 10 – 15 minutes duration. Please encourage expression, punctuation and discuss what has been read. Some questions you could ask include; ‘How would you feel if that was you? What would you differently? What do you think could happen next? Why do you think the author wrote this? What makes you think that?’

Absences
When your child returns to school after being unwell we ask that a note is sent along explaining the absence. Research shows that more than 8 days absence a year has an impact on your child’s education. If your child is unwell we would expect that they would need to in bed for the day. If your child shows signs of improvement and seems well we would love to see them returned to school.

Welcome BBQ
Tuesday night is the Welcome BBQ, which will include our information booth. We hope to catch up with as many of our parents as possible. It is a good chance to have an informal chat and get to know your child’s teacher, if you haven’t already done so.

Goal Setting Interviews
Goal setting interviews begin next week. Notes will be sent home to parents that have not had the opportunity to fill in a time that suits them. Please inform your child’s teacher if the time does not suit so a more suitable time can be made. We do like to catch up with all our parents.

Grade 4 News

Students of the Week
4/G - Ryan T for a positive approach to his learning and a great start to White Hills.
4/K - Emily E for making a great start to the year at WHPS.
4CT - Liam T for settling well into his new school.

Homework
Thank you to the students who tackled their first homework task with such enthusiasm. We anticipate more of the same throughout the year.

Readers
Just a reminder that we ask that parents hear their child read and write a comment in the log every week. Asking your child about their Class Dojo points may help.

Goal Setting and Welcome BBQ
Students have been working hard to develop a number of learning goals to work towards this semester. They are really looking forward to sharing them with you over the next two weeks. Please ensure you have made your online booking, as they close tomorrow. A note will be sent home to families who have not yet selected a time. Please inform your child’s teacher if the time does not suit so an alternative time can be made. We are hoping to see you on Tuesday night as part of the Welcome BBQ. Please feel free to share any queries you may have.

Computer User Agreements
Our computers acceptable use agreement was sent home last Friday. We spoke at length about this during class, so please read through the agreement with your child before signing. Could they please be returned to school by tomorrow.

 Helpers
We will be looking for parent helpers throughout the year. This includes hearing readers, contacting books and attending excursions and camps. Please see your child’s teacher regarding your availability.

Penny H for her mature approach to grade 5 and for using her initiative.
Riley C for the responsible way he is approaching classroom tasks and working well with other students.

Goal Setting Interviews
Online goal setting bookings are progressing with many parents having already booked their time for attending with their child. If you are having any trouble with booking, help is available at school.

Netbooks
The netbook contract note has gone home. After you and your child have read it and are aware of the expectations for appropriate use etc, please sign the form and return to the classroom teacher.

Welcome BBQ
Don’t forget the welcome BBQ which this year will incorporate our information booth. You will have the chance to talk to teachers and ask questions about the Grade 5 year.

Reminder that students need a bag to borrow library books to take home. The Lit. Circle book stays home for the week and is brought back for the weekly Lit. Circle session. Students are aware that the novel needs to be in a safe place at home.

Absences
Please send a note or ring the school when your child is absent and if they are late or going home early, call at the Office and sign them in or out.

Homework
Homework will be handed out to all Grade 6 students every Thursday. This week’s homework is to be completed by your child’s Goal Setting Interview. They need to work out 1 Maths goal and 1 Literacy goal and discuss these goals with their parents before the interview.

Student Absences
If your child is absent from school you need to provide the classroom teacher with written note explaining why they were away when the child returns.
