**Principal’s News**

**2016 Book Pack Orders & School Charges: Overdue**

All Book Pack order forms should have been returned last Friday to enable us to finalise the order with our supplier. **Please attend to this now.**

The school accepts pre-payment of all items prior to the end of the 2015 school year at the school office or via the QrR smartphone app. Parents choosing to pre-pay Book Packs & school charges in 2015 will be able to collect Book Packs from a ‘Pre-Paid’ area on our Book Pack Collection Days on Thursday 21st & Friday 22nd January 2016 in the school hall. This helps speed up the collection process.

If you choose not to pre-pay for the Book Pack and other charges, the Book Pack must be paid on collection day. **See your Book Pack information for details.**

**Out of Uniform Day: Gold Coin Donation**

On the last day of term, **Friday, 18th December**, we will be holding an Out of Uniform Day. All money raised will go towards Bendigo Health.

**End of Term Dismissal: Early Finish at 1:30pm**

All students will be dismissed at 1:30pm on **Friday, 18th December**. Children will have their normal morning recess break at 11.00am and then have lunch at home after dismissal at 1:30pm.

**Canteen & Uniform Shop: Closed Last Day of Term**

The Canteen and Uniform Shop will be closed on the last day of term, Friday 18th December.

**School Banking: Finished for 2015**

School banking has finished for this year. Thank you to Sam Lempio-Franklin for all her work across 2015.

**What about the ‘School Kids Bonus’?**

At this stage the federal government’s ‘School Kids Bonus’ will come to an end in July 2016. Those families receiving Family Tax Benefit Part A can receive up to $410 per primary-age child (paid in 2 instalments January/July). School Council recommends families put this payment aside to cover expenses at the beginning of the school year such as book packs, uniforms and other requisites.
**Grades 2016: Notification Sent Home Today**

2016 grade allocation letters for students have been sent home today - Thursday, 10th December. Included with the letter is a map of classrooms, outlining the location of teachers and classes for the beginning of the 2016 school year. Due to the complexity in establishing grades, students cannot be moved.

As Grade 5 students are away on camp, their notices will be distributed next Monday, 14th December. Grade 5 parents can collect their notice in person from Scott Ross or Damien Jenkyn after 3.45pm today if they wish. Opportunity for written parental input closed many weeks ago. Naming of a preferred class teacher was not part of this process.

Class teachers have worked with children to nominate five (5) of their friends and we have placed them with at least one (1) of their nominated friends. We consider the following factors when determining grades: even distribution of academic ability within grades, separation of children who do not work well together, gender balance, interpersonal development, friendship groups, attitude, maturity, individual needs and behaviour.

We welcome Mr James Sait and Ms Jade Deppeler to our White Hills PS team. James currently teaches at Lake Charm PS and Jade at Newstead PS. James met his new Grade Prep children at Orientation Day on Tuesday this week. Jade will be attending our Step Up Day next Wednesday, 16th December to meet her 2016 students.

**Specialist Teachers for 2016 are:**

- Mr Stewart Scoble (Phys Ed)
- Mrs Monique White & Mrs Cadi Watchman (Art)
- Mr Trevor Trewarth (Music/Drama/Art)
- Ms Sue Briggs (Reading Recovery/Prep support/Library)
- Mrs Christine Alexander (Reading Recovery & English as an Additional Language)
- Mrs Jane Leahy & Mrs Maureen Egan (French)

Mr Gerry Tyndall will retire at the end of the 2015 school year. I thank Gerry for his work in both physical education and French.

**Grade 3 in New Buildings in 2016**

Due to increasing enrolments, our school will receive new relocatable classrooms. Over the summer holiday period, Department of Education contractors will install two new Mod 5 buildings. Each Mod 5 building contains two classrooms. 2016 Grade 3 students will be located in these four new classrooms. As the contractors are unable to guarantee me that these classrooms will be ready at the beginning of the 2016 school year, we have a ‘Plan B’ in place for locating grade 3 in existing classrooms on a temporary basis. Your patience with this potentially temporary arrangement is appreciated.

As per our grounds masterplan (click here), these relocatable buildings will be sited in the current staff car park. This is so valuable play space and recreation areas are not taken up by buildings. Our future plan is to redevelop the car park at the front of the school, however the Department of Education have not allocated funds for these works and School Council will be following up potential funding sources. Siting of the new buildings has involved relocating the existing green storage shed behind our big sports shed. The ‘Energy Breakthrough’ shed has been removed but we will be constructing a new shed towards the rear entrance...
School Council Meeting
The final School Council meeting for 2015 will be held next **Monday, 14th December** at 6pm. All school counsellors please attend.

Whole School Carols Night: Next Tuesday, 15th December
Our school Carols Night will be held next **Tuesday, 15th December** in our school grounds. The night will commence with families bringing their own basket tea at 6.00pm, the school band will commence playing at 6:15pm, followed at 6.30pm by class performances. It is expected that the night will conclude before 8.00pm.
As all children at the school will be involved in this night we ask that parents keep this date free and we look forward to your attendance.
The format of the Carols Night is as follows:
- The event is **alcohol-free**. As the evening involves children, we ask that parents, friends and relatives do not bring alcohol.
- The **main playground area is out of bounds during the performances**. Parents are welcome to supervise their pre-school children on the Prep playground during performance times but we ask that pre-school children are not to be running around any performance or sitting areas.
- School buildings and grounds are **smoke-free**. This is a state law.
- School children are to be seated in their class groups in front of the stage area so they are ready to go on for their performance. They should not be sitting with their family or on any playgrounds.
Adults should display good audience behaviours by facing towards the performers and limit their talk whilst performances are taking place. Your support is appreciated.

Step Up Session for Current Prep to Grade 5 Students: Wednesday, 16th December, 11.30am-1.30pm
A ‘Step Up’ transition session for our students in their 2016 grade groupings will take place next **Wednesday, 16th December** from 11:30am-1:30pm. Students will be involved in activities in their 2016 grade with their 2016 teacher. Students who are new to White Hills in 2016 have also been invited to attend the Step Up session. This will help prepare your child/children for transition into their new grade and help alleviate any anxiety associated with change.
Current grade 6 students will be involved in an alternative program during this time.

Student Reports: Distributed Wednesday, 16th December
End of year student reports and learning portfolios will be distributed next Wednesday, 16th December.

Grade 6 Graduation Evening: Thursday, 17th December
The Grade 6 Graduation Evening will be held at the Bendigo Baptist Church, 757 McIvor Hwy, Junortoun on **Thursday, 17th December**, commencing at 5.30pm for the Grade 6 students. Parents are to arrive at the Baptist Church auditorium at 7.00pm for the formal part of the evening. Grade 6 families were sent a letter with all details several weeks ago.

2015 Special Events Credit Ends
The White Hills PS School Council 2015 ‘Special Events Credit’ will not continue into 2016. This was a school-based initiative put in place for 2015 only due to the previous state government ceasing the Educational Maintenance Allowance (EMA). **In 2016 parents will now need to pay for Special Events – swimming, gym, Footsteps Dance and performances.**
This year the new state government established the Camps, Sports & Excursion Fund (CSEF) which provides $125 credit for each primary-age student whose parent/guardian is the holder of a valid means-tested concession card.
**See the CSEF letter in your book pack information for further details.**
Because the CSEF is paid to the school **in term 3**, School Council allocates CSEF funds towards:
- school camp for students in grades 3-6
- the overnight stay/party tea, major excursion, other incursions/excursions during terms 3 & 4 for students in grades Prep-2
For further information contact the school on 54430799

Wear Appropriate School Shoes
An increasing amount of students are wearing slip on shoes/sand shoes. These are not appropriate for school and playing sport as they do not protect feet from injury and do not fit with our required school uniform as stated in our policy.
Please ensure you child/ren wear lace up sneakers to school. It is recommended that Prep children have velcro instead of laces as it makes it much easier to pull shoes on and off during the day.

Electronic Excursion Permission Forms Now on QkR
Parents are now be able to complete electronic permission forms for excursions when completing a payment via our QkR smartphone app. This means you will not have to return a hard copy of a parent permission form to the school for your child’s excursion. If you have not yet set up QkR on your smartphone, instructions can be found by clicking on this hotlink: [QkR set up guides](#)

Orientation Day
Thank you to the parents who assisted with Orientation Day, providing a cuppa, speaking to the new parents and working hard in the Uniform Shop. Your assistance is much appreciated.

After School Care News
This week in After School Care our theme has been ‘Construction and Building’. The After School Care kids have been getting creative and making their own marble mazes using recycled materials. We have also been getting in to the Christmas spirit with our arts and crafts, designing our own 3D Christmas tree decorations. In the canteen this week we made a batch of delicious chocolate biscuits balls. The groups that made these on Monday were fantastic at working together as they followed the recipe and also when they cleaned up the kitchen. Great job guys! Also a big shout out to our 2 fab legends this week – Emma and Riley. Last week during our cooking activity Emma and Riley showed how responsible and caring they are as they helped the younger children in the group and helped with the cooking activity. Due to the changes in the library, After School Care will be in the Art room next door each night until the end of term.

Thanks,
After School Care Team

Junior School News
Pupil of The Week
Congratulations to our Prep pupils of the week who are participating well in class activities and are working hard to develop their resilience skills. Well done to Axel F, Levi J, Miller D and Lilly H.

Prep Break-Up Party
The Prep grades will have a special break-up party in the brick area on Thursday, December 17th beginning at 1.00pm. We ask that each Prep family brings a small disposable plate or container of party food for us to share. Please no food containing nuts. The children will still need to bring their playlunch and a drink on this day. Parents are welcome to join us for lunch.

Carol Night
This week children in the Prep grades were given a note with their costume requirements for Tuesday night. We ask that parents do not go to great expense or trouble with these costumes. The Preps will be one of the first items so if they can come dressed in their costume, if it is not too hot, it will help with organisation.
Learning Portfolios
Learning Portfolios, containing work samples and your child’s second semester report, will be sent home soon. Some children have still not returned their portfolio. Would these please be sent to school tomorrow to allow teachers to complete them?

Thank You
Thank you to all the Junior School parents who have assisted in any way this year. Without your support we would not be able to provide the quality programs available at our school.

Prep Reading And Writing
The Prep children will bring home their word and spelling lists tomorrow. We ask that parents revise these lists every couple of days and use every opportunity for their child to read and write over the holidays, to help maintain the high standard they have reached this year.

Hint For The Week
Research shows children who read and write in their holidays retain and improve skills taught in school. Over the holidays spend some time visiting the local Library. Look at and borrow books to read together. Keep reading and writing each day to maintain the great standard our children have reached this year. Just because the school year is ending, doesn’t mean the learning has to stop!

Booklists For Grade 1
Parents are asked to note that the whiteboard and duster purchased in the Prep Booklist at the start of 2015 will be passed on to your child's Grade 1 teacher at the end of this year for use in 2016.

Sleep
As the year is getting busier we have been noticing some of our Junior School children are becoming very tired, resulting in lack of concentration, tears and grumpiness. It is suggested by researches that children of Prep age require up to 11 hours sleep a night to function at their best. Please encourage your child to be in bed at around 8.00pm (we know this is difficult with daylight saving) so they can be ready for learning the next day.

Drink Bottles
With the weather becoming hotter it is important that all children have their water bottles for use in the classroom.

Grade 1/2 News
