School Council Election Result
At the close of nominations, the number of nominations equalled the number of vacancies in both Parent Member and DEECD Member categories. A ballot for these membership categories is not required and the following nominees are declared as elected. Parent Member Category – Tanya Miles, Dion Costigan, Kingsley Morse-McNabb, Samantha Lempio-Franklin. DEECD Member Category – Lauren Ray, Kylie Pitt. My congratulations to new and returning School Councillors, who will attend the next meeting on Monday, 16th March.

Special Events Credit: Closes Tomorrow
To claim the 2015 Special Events Credit (Part B) parents must present a valid Health Care or Pensioner Concession Card at the office for photocopying before 4.00pm tomorrow, Friday, 27th February. As per School Council policy (see link), late submissions will not be accepted.

Staff Car Park: Do Not Drop Off or Pick Up in This Area
Please note that the staff car park is for staff only. Many parents and children walk through this area to access the buildings. For children’s safety we ask that you not drive in to this area to drop off or pick up children. Your support in this matter is appreciated.

Labour Day Public Holiday
Monday, 9th March is the Labour Day public holiday. The school will be closed on this day.

Pupil-Free Day: Tuesday, 10th March
Teachers will be undertaking a professional development day on Tuesday, 10th March. Students do not attend school on this day. This is the day after the Labour Day long weekend – Monday, 9th March is a public holiday.

Grade 3-6 Swimming Program
Information and a permission form for the Grade 3-6 swimming program was sent home at the beginning of last week. Cost for the swimming program is $51.00 per child. If you have not pre-paid for special events, or do not qualify for the Special Events Credit, please return your payment prior to 4.00pm on Wednesday, 11th March. As per the school’s excursions policy, late payments will not be accepted after the cut-off date. The swimming program will take place in the week beginning Monday, 16th March.

Gastro
We have had reported cases of gastro across all areas of the school. If your child is unwell, please keep them home at least 24 hours after their last bout of vomiting.

Term 1 Curriculum Plans: Information for Parents
Term 1 curriculum plans for Grades Prep-6 are available on the school website now. This information gives you an overview of what is being taught during Term 1 and can be accessed from the school website under the Curriculum tab.
Congratulations to our Birthday Children

Rosters Distributed Today
Canteen, Uniform, Sickbay and Newsletter rosters have been distributed to families who have put their name down to help out this year. Thank you in advance to these parents. If you are unable to help, please contact the school or the coordinator. **Those who are able to help out with any of these duties, who did not fill in a helper form, please contact the school.**

No Nut Products at WHPS
As parents will know, we have several anaphylactic students at our school. Some of them have severe allergies to nut products. With this in mind, I would like to remind you that we do not have peanut butter, Nutella or nuts at our school. We cannot avoid all nut products as there are traces of nuts in so many foods, but we would appreciate your help in this matter. Anaphylaxis is a life threatening condition and the safety of our students is our first priority. If students continually bring peanut butter, Nutella or nuts to school, parents will be contacted regarding a replacement lunch. **Thank you for your cooperation and support in keeping our students safe.**

Canteen Counter Sales: Purchasing Limits
Please note that each child is limited to purchasing a maximum of one (1) ‘iced’ item (eg. slushy) and $1.00 of other items from counter sales at the school canteen. Products available in our school canteen are from the approved ‘Healthy Canteen’ menu. We would also ask that parents refrain from sending children to school with large denomination notes. Coins are a much better option and counter sales should be seen as an occasional treat for children. **We appreciate your support in this matter.**

Crossing the Road: Children & Parents Use the Crossings
For your child's safety we ask that all children use the crossing at the back of the school (Bosquet St) and wait for the duty teacher to assist them across the road. Parents should come and collect their child and take them across the road but no child should cross the road without an adult. Similarly, we ask that at the front of the school (Plumridge St) ALL CHILDREN and accompanying parents use the designated school crossing to cross the road. **DO NOT CROSS AT THE BRIDGE** – this is not a controlled pedestrian crossing.

Advertise School of Changed Pick-up Arrangements
If children are to be picked up early (and signed out of the school) by anyone other than their parent/guardian (this person must be over the age of 18), it is essential that the school is informed of the changed arrangement. The school cannot allow someone who is not the child’s parent/guardian to sign them out early unless we are advised. We ask that parents try to make appointments outside of school hours. We appreciate your support in this matter.

Installation of Synthetic Turf
Our new turf will be laid between the main building and Peter Davey Building beginning **Friday, 13th March.** It should be completed over the weekend. There is also tree-surround seating to be installed around our mature Chinese elms that have been planted in this area. Our next stage of works will involve improving drainage from this area towards the back gate and replacing the pathway, Prep play area & seating, and improved surfacing around parts of the Peter Davey building.

Personal Items Are Not Insured
The Department of Education does not hold insurance for personal property brought to school. Parents, students and staff are reminded that personal items brought to school are at your own risk.

Student Accident Insurance
The Department of Education does not provide personal accident insurance for students. Parents are responsible for paying the cost of medical treatment for injured students, including any ambulance attendance/transport costs. Reasonable low cost accident insurance policies are available from the commercial insurance sector.

Schools are Smoke-Free Zones
Please be aware that by law schools are smoke free zones; this includes both within school buildings and grounds. We would also ask that smokers refrain from smoking at the entrances to the school.

Process for Late Arrival or Early Departure: It’s a Safety Issue
If a student arrives late to school, or departs early (for a valid reason), they must be signed in or out by an adult at the school office in the Sign In/Out book. Parents must NOT collect a child directly from the school yard or classroom. **This is a parental duty of care and child safety issue.** A tear off slip from the Sign In/Out book must be provided to the class teacher for a late arrival or early departure. Latecomers are **NOT to go directly to their classroom.** Your support with this process is appreciated.
Developing Healthy Eating Habits
Ensuring that your child's lunch box is full of the right foods not only will make them eat well, but the right foods will help them at school when it comes to both concentration and learning. Include fruit, especially fresh or tinned fruit, in your child's lunch. Avoid other fruit products such as fruit bars or straps as they are high in sugar and low in fibre and also stick to your child's teeth causing tooth decay. Put in vegetable sticks with a dip, or make up a small container with a variety of options such as carrot and celery sticks, cherry tomatoes or cucumber. Leave out the potato chips. Cheese, yoghurt and milk are good choices, but due to their high sugar content, leave out the dairy desserts and flavoured milk. Leave out donuts, cakes, oven-baked savoury biscuits, chocolate bars and muesli bars. The best drinks for children include water and milk, which can be frozen to help keep food in the lunch box cool.

Attendance
Thank you to all the wonderful parents / carers in our school who are making a mighty effort to get your children to school every day and on time. The only time your child should be away is when they are so sick they need the whole day in bed. Please remember to call school if your child is going to be away and then fill in the absence note when they return.

Special Morning Tea
Special Morning Tea for all the students who have two or less day’s absence this term, they will be invited to a very special morning tea with our Principal – Mr. Jenkyn and our Assistant Principal – Mr. Ross on the last week of term. I’m hoping we will give them a shock by having nearly the whole school turning up!! Wouldn’t that be fun?

Every Day Counts
All families should have received a leaflet about Every Day Counts, please be sure to read it. If you didn’t get one, please contact the school office.

Student Goal
As you would be aware, this year all students have an additional goal of: ‘that STUDENT will have less than 4 days absence from school this semester.’ Please try very hard to ensure your child achieves this goal.

Parentline
Parenting is not always easy. From time to time, all families can benefit from extra support. Parentline is a Department service which began in 1998. **Scholastic Book Club**
Scholastic Book Club is a great opportunity to purchase some bargain priced books, educational resources and a variety of other products. Every dollar spent by families earns the school bonus points, which we can then use to purchase new resources for our classrooms. The book club catalogues are made and distributed monthly and orders are then placed in an envelope and posted at the office. Book club catalogues are only made available to those students who have permission from their parents. If you are interested in taking part this year, it is not too late! Simply fill out the permission slip provided and return it in an envelope outlining the students name, grade and BOOK CLUB PERMISSION written on the front. This envelope then needs to be posted at the office, just like any other payment.

Thanks,
**Miss Alison Sartori**

Prep News

Picking Up Children From School
Parents are reminded that children can only be picked up from school by the child’s parents or one of the people listed as the emergency contact for the child on their enrolment form. If you wish another person to pick up your child the school/classroom teacher must be contacted, (a letter or phone call will be sufficient), informing us of who will be collecting your child to ensure their safety.

Prep Term Planner
Parents are reminded that, if they want to find out more about what the children are learning during first term, the Prep term planner is on the school website, giving detail of areas taught.

Assembly
Next Monday the Preps will commence attending assembly and also have lunch at the normal lunchtime of 1.30pm to 2.30pm. Prep teachers will still supervise the children to ensure they have eaten enough lunch and that they are playing happily in the yard and there will always be at least one teacher on duty in the Prep play area.

Prep Attendance
Prep children do not attend school on Wednesdays until after the long weekend in March but if your child becomes tired on other days let them have a sleep-in if necessary and bring them to school at a later time. Some parents may prefer to pick up their child at lunchtime for a rest but remember to tell the class teacher and sign your child out at the office. If you have any concerns with your child at school please see your child’s teacher to arrange an interview time.

Prep Reading
We would appreciate help with listening to children read between 9.00am - 9.30am on any school day, except Wednesday. Red Room will not have reading at 9.00am on a Thursday too due to their Art lesson being at this time. Pre-schoolers are welcome to come into the classrooms while parents & grandparents hear readers, but please ensure that they are quiet.

Prep Clean Up Australia Day
As part of Clean Up Australia Day the Preps will be cleaning around the Prep play area and the school gardens on Monday, 2nd March. Please note that the children will be in the school grounds under teacher supervision for this community service activity. We encourage the children to bring gloves to wear while picking up rubbish, will instruct them not to touch glass or other sharp objects and will wash their hands with antiseptic gel when finished. If you do not wish your child to participate in the Clean Up Australia activity please tell your child’s class teacher.

Transition Survey
Each year our school asks parents to complete a short survey to assist us in improving our transition program for Preps. This survey was sent home last Thursday and we would appreciate if all parents would complete it and return it to the school office. Thank you.

P.M.P. (Perceptual Motor Program)
Our Perceptual Motor Program (P.M.P.) will start on Monday, 16th March, 2015. This program will operate in the Physical Education shed on Monday afternoon every week between 2.30pm and 3.30pm. These specialised sessions greatly benefit the Preps’ gross and fine motor coordination and concentration skills. However, parent help is essential on a regular basis to ensure these small group tasks function effectively. Activities are organised by teachers, are explained to parents and are simple to operate. (If you need to bring a preschooler along that is fine as long as they do not distract the Preps from their activities). If we have sufficient parents offering to help, a roster will be made with parents helping every 2 weeks. If you can help (and we would love you to) could you please return the form sent home last Thursday, to a Prep teacher by Friday, 6th March 2015.

Language Hint for The Week
If your child is reading on Level 3 or above encourage them to read with their eyes instead of their finger so that their reading becomes more fluent.

Zarli S for the positive way she is participating in school activities and coping with her “mishaps”

We know that the students are eager for their netbooks and hopefully their distribution won’t be too far away.
