Parents & Friends Group - Annual General Meeting (AGM)

This week the P&F Group met for their AGM and the following parents have been elected to the following positions:

President: Nicole Logan

Vice President: Kelly Adcock

Secretary: Samantha Lempio-Franklin

Assistant Secretary: Natalie Schroeter

Congratulations to the above elected officer bearers and I look forward to working closely with them throughout 2017.

Volunteering @ WHPS

There are various volunteer tasks that you can involve yourself in at our school. If you ask one of our volunteers, you will find they get a lot of satisfaction providing part of their spare time in helping others. As well as satisfying, you also get to know more about the school and its community. When your children/grandchildren see you at the school helping out in some activity, it makes them feel proud too.

Every Thursday is Newsletter Duty. If you would like to get to know the classrooms, and some of the teachers, this is a great way to learn the layout of the school and how to navigate your way around. You may even spot your own child in class! Newsletter Duty does not require you to type up and form the Newsletter, it is just organising a small amount of Newsletters into class groups, and distributing them. On some occasions there may be an extra hand out, which will then have to be distributed to all classrooms. And when you are finished, you can relax and have a cuppa in the Staffroom and wait for the bell at the end of school.

There is also PMP (Perceptual Motor Program) for the prep students which will initially be in Term 2 on a Friday from 2:30pm – a note will be sent home with preps asking for assistance near the end of Term 1. The activities are set up and prepared by the teachers prior – all you need to assist with is guiding prep children through various fun physical activities to help develop their motor skills. These little activities help children develop their muscle movement, coordination, balance, spatial awareness, visual skills, rhythm, listening and memory. It is basically kids having fun learning new physical activities.

School Council Ballot

Thanks to all the families who voted to assist the school to elect the 6 parent representatives for school council this year, we had over 90 people vote.

The votes have been compiled and the following 6 parents have subsequently been elected to school council for the next two years:

1. Samantha Lempio-Franklin
2. Kingsley Morse McNabb
3. Dion Costigan
4. Brent Monro
5. Tanya Miles
6. David Treloar

Congratulations to the elected parents and thank you to all those who nominated to be on school council this year.

School council convenes for the March meeting and Annual General Meeting on Monday 20 March.

Reading With Your Child

Children who are read to at home daily for just 15 minutes can improve their reading ability at school by up to 40%, according to a Centre for Community and Child Health study. Reading to a child is not only a great way for parents to bond with their child, it stimulates the child to develop communication skills that will assist them at pre-school and school. Some ways to increase your young child's reading:

- Give children their own books at an early age, even if they chew them.
- Read in lots of different locations; on the bus, at home, in waiting rooms.
- Let your child hold the books and turn the pages.
- Encourage children to be active during reading; pick some books they can act out.
- Join a library.
- Don't make reading a test- you're not teaching them to read, you're teaching them to enjoy books.

Work It Off

The executive director of www.fitness2live.com.au Michael Mc Coy, says the reason most people eat fast food is because it is convenient, we like the taste and it's reasonably inexpensive. But even though those foods may be easy, burning them off is not.

It takes an adult about 40 minutes of circuit training at the gym to burn off one meat pie. To burn off a burger, large chips and a large soft drink we would need to walk for 3 hours, while we need to walk for 32 minutes to cancel out a small chocolate bar. To test more foods or activities, visit www.fitness2live.com.au

Chinese Immersion Program 2017

We are seeking families who might be interested in hosting a Chinese student in October this year. The students usually arrive in week 2 of Term 4 and leave in the first week of December. Bendigo Team China schools are endeavouring to collect information now to determine the number of Chinese students we are able to host.

I am seeking expressions of interest from families of children in Grades 3-6 (can be other grades also) to host a Chinese student for four or eight weeks during their visit. The Chinese students who visit are usually 10-11 years old and have just entered Grade 5 (Chinese school year begins in September). Last year we had four Chinese students and a teacher from our Sister School, Jinji Lakes PS in Suzhou Industrial Park.

If you are interested please complete the slip at the end of the newsletter and return it to school or reply by email to schaeche.andrew.a@edumail.vic.gov.au

If you would like more information or would like to speak with a family who hosted last year, please feel free to contact me.

REPEAT NOTICES

Camps, Sports & Excursions Fund (CSEF) Applications

Details regarding eligibility and applying for the CSEF are available at the office, if you have not already applied.

Last day for CSEF applications is **Friday 31 March 4.00pm**.

No late applications will be accepted.

Kelly Sports lunchtime and after school programs

Kelly Sports are offering a lunchtime 'Street Dance' program (1.40pm-2.25pm on a Wednesday) aimed at all year levels and an after school program titled 'Multi Mega Sports' aimed at Grades P-4 where the children will sample 3-4 sports for the remainder of Term 1. The lunchtime program will cost \$50 for the 5 weeks and the after school program is \$60. The purpose of the Kelly Sports programs is to provide young children with the opportunity to become involved in sports in a controlled, fun environment with the convenience of the program running at the school.

Please see flyer sent home with your eldest child last week which explains how to enrol your child.

Process for Late Arrival or Early Departure: It's a Safety Issue

If a student arrives late to school, or departs early (for a valid reason), they must be signed in or out by **an approved adult** at the school office in the Sign In/Out book. Parents must NOT collect a child directly from the school yard or classroom. **This is a parental duty of care and child safety issue.** A tear off slip from the Sign In/Out book must be provided to the class teacher for a late arrival or early departure. **Latecomers are NOT to go directly to their classroom.** Your support with this process is appreciated.

Crossing the Road: Children & Parents Use the Crossings

For your child's safety we ask that all children use the crossing at the back of the school (Bosquet St) and wait for the duty teacher to assist them across the road. Parents should come and collect their child and take them across the road but no child should cross the road without an adult. Similarly, we ask that at the front of the school (Plumridge St) ALL CHILDREN and accompanying parents use the designated school crossing to cross the road. **DO NOT CROSS AT THE BRIDGE** – this is not a controlled pedestrian crossing.

School Nurse Visit

Leona Evans, the Primary School Nurse, has commenced visiting our school this week. She will be at our school for several weeks checking the Preps' sight and hearing.

This is a free service.

Parents with children in other Grades who would like to have their child checked by the nurse, can see Mrs Ellis to get form requesting this.

Please let us know if there's anything further that we can do to support you here at WHPS

Principal*

Prep News

Pupil of The Week

Congratulations to *Archie W, Dustin S, Aaron G, Jett M, Noah L and Jax D*, our 'Prep Pupils of the week' for this week. These Preps are caring, enthusiastic and helpful in class. Well done!

Prep Pancake Making

On **Wednesday 15 March**, we will be making pancakes at school, as part of our activities around "p". If your child has any allergies, e.g. gluten, eggs, lactose, etc, can you please send along a small container with pancake mix suitable for your child to eat. We are asking for parents to help us make lots of pancakes from 9.30am to 11.00am. If you can help, please see your child's class teacher.

Picking Up Children From School

Parents are reminded that children can only be picked up from school by the child's parents or one of the people listed as the emergency contact for the child on their enrolment form. If you wish another person to pick up your child the school/classroom teacher must be contacted, (a letter or phone call will be sufficient), informing us of who will be collecting your child to ensure their safety.

Prep Term Planner

Parents are reminded that, if they want to find out more about what the children are learning during first term, the Prep term planner is on the school website, giving detail of areas taught.

Language Hint For The Week

From an article written by Paul Jennings- an author who has written many books for boys.

Fathers that read and write at home provide a good role model for boys. Neuroscientists have found that much of the way children behave is based on imitation. Fathers who read are likely to have sons who read. It doesn't matter what the reading material is. It can be car magazines, newspapers, novels, sport's books, etc. Just by reading for pleasure the father shows that this is something that men do by choice. It tells a boy that books are part of the male culture and may be read with pride. This is why it is important for men to join in the reading of the nightly bedtime story. Reading a story aloud is a wonderful bonding activity and expression of love. But when a father reads, it is also an example of a masculine activity.

Next week our sound is "p". **If you wish to find out the visual/cued sign for this and other sounds, just Google Jane Passey, cued articulation.**

Prep Lunches

The Preps are now having lunch at the normal lunchtime of 1.30pm to 2.30pm. Prep teachers will still supervise the children to ensure they have eaten enough lunch and that they are playing happily in the yard and there will always be at least two adults on duty in the Prep play area. Lunch orders can be purchased on Wednesday and Friday. If you are sending along money for your child to purchase something over the counter at lunchtime, please do not send a large amount of money as it can become lost or shared with friends.

Prep Reading

We would appreciate help from parents and grandparents, with listening to children read between 9.00am-9.30am on any school day. If you wish to help, please talk to your child's teacher for information about hearing children read.

Thank you to families for their on-going support.

Library Bags

Please ensure your child has a library bag for borrowing each week. If your child does not have one a green super market bag works well! Also don't forget to label it with your child's name and class!

Platoon Sports - Athletics Training

Students are currently training for our school athletics coming up early in Term 2. Students are currently focusing on: long jump, shot put, discus and sprinting. Please ensure your child has appropriate footwear for safety and support and a labelled drink bottle with water for hydration.

4D - Connor M for persistence when working with odd and even numbers.

4K - Kaylen B for his excellent 1st draft of his narrative about a burn out competition.

4M - Alexis W for always giving 100% to all tasks.

4S - Tayte S for his excellent attitude towards losing a personal belonging.

Swimming Notes

Swimming permission notes came home last week. Swimming begins in week 8, 20th March which is in 2 weeks' time. These notes are required to give your child permission to get on the bus to get to the pool. These lesson times below are for all 5 days.

Lesson times:

4S 10.10-10.50am, 4D 11.30am-12.10pm, 4K 12.10-12.50pm & 4M 1.30-2.10pm

Library Books

Each class attends library once a week and students are encouraged to borrow books to read in class or at home. It is important that books are returned regularly so they don't become overdue, as this stops your child being able to borrow again until the books have been returned. Books can be borrowed for 2 weeks before they need to be returned or re-borrowed. Please check if your child has any library books at home that need returning.

Homework

Continue to support your child with their homework and home reading.

Long Weekend

Enjoy the Labour Day Holiday on Monday and we look forward to seeing your child back at school on Tuesday 14th March.
