

## Blue Light Camp Maldon

On Wednesday 11<sup>th</sup> of October we went to Maldon camp and got back on Friday 13<sup>th</sup> of October. We rode so much on this camp. It was in Maldon and it was called Blue Light Camp. It was in my opinion better than camp Curambeam. It was brilliant!

## The BMX track.

The BMX track was about 3ks away from camp. It had rollers, tabletops, berms and different lines. I got about a metre of airtime off one of the jumps. It was rocky, smooth, muddy and sketchy. We went on Thursday.

## The MTB trail!

It was optional to go to the downhill MTB track .Me and about 20 others went. It was built by some of the people in the commonwealth games. My favourite jump was at the end when you went up a little roller but you can get so much airtime. We rode with Todd, Cam, Scott, Eleanor and Mr Day.

## The lolly shop.

The lolly shop was small but had hundreds of lollies. With my 3 dollars I bought 1 pack of Smarties, 2 sugar lolly pops and 1 big wiz fizz. We went on our town walk!

Honestly I thought camp was brilliant and I would definitely love to go there again!
