Education Week Open Day and Activities
The school will be conducting an Open Day and Information sessions at White Hills Primary School during Education Week. Open Day for all families will be on Friday May 19th from 9.00am – 2.00pm. This is an opportunity for parents, grandparents and friends to visit their child's class.
2024 Foundation (Prep) Information Sessions were held yesterday and last night. We are providing opportunities for families who were not able to attend or attended the night session to have a tour of the school during the school day on:

- Wednesday 24th May at 10:00am
- Tuesday 30th May at 2:45pm
- Thursday 1st June at 10:00am

Please contact the office on 54430799 to register an interest to attend one of these sessions.

Principal's News

Hi everyone,

Special New Library Books
On Monday, the school received a visit the Federal member of parliament for Bendigo, Lisa Chesters. Lisa presented the school library assistants with 5 shortlisted books of the year that the Prime Minister has selected from Australian authors. These are being donated to over 400 schools in Victoria and we were also lucky enough to receive one of only 5 personally signed books by the Prime Minister. These will be added to the library for students to borrow.

School Council Report
On Monday evening, school council met for the May meeting. The following items were discussed and/or endorsed:

- Term 2 Curriculum Day (pupil free day) Tuesday 13th June (Staff will be engaging in professional learning on writing on this day.
- Term 3 Curriculum Day (pupil free day) Wednesday 2nd August (staff will be working with the inclusion coach and discussing Berry Street strategies)
- In the Term 2 holidays the two large trees on Plumridge street near the creek school entrance will be removed along with a bottle brush in the eating area. These trees have dropped branches and lifted paving. There will also be some painting on the Prep portables and various posts around the school during this holiday period.
- Asthma, anaphylaxis and homework policies-these can all be located on the school's website.
- Purchase of additional security cameras for the school.
- Confirmation the solar panels and unit of the BER building will be replaced in the near future.
- Confirmed cash budget for 2023

District Athletics
Yesterday approximately 80 students attended this event at the Flora Hill athletics track. A full report on results will be included in next week's newsletter. More importantly, our students tried really hard, demonstrated sportsmanship and were all well behaved.

The Fathering Project

Last week is National Families Week, a time to celebrate the importance of families and their values in our communities.

Family values form the foundation for children to understand right from wrong and to make independent good decisions when you are not there to guide them.

Your family values define what you, as a family, think is important, what is good, and how you want to live. These values may differ from one family to the next, however, there are some fundamental core values that tend to match within societies' values, such as love, kindness, trust, honesty, respect, generosity, courtesy, fairness, right, and wrong.

To celebrate National Families Week, we encourage you to establish your family values. Here are some tips that can help you get started.

Top Tips

1. Establish your own values. Identify what you see as the most important values for you and your family at this time – discuss these with your partner if you have one.
2. Write a list. This will help to keep you and the family accountable.
3. Embed them. Discuss how you could start to do these things more around the home. For example, kindness – offering to help each other, being polite, etc.

Dad joke of the week

There was a Roman emperor who never aged after he turned 19. His name was constant teen...

The Fathering Project Coordinating Committee

We are seeking dads/father figures who are interested in being on the school's Fathering Project organising committee. We usually meet once a term to plan the upcoming event. Our next catch up is on Wednesday 17th May at 6:30pm at One Tree Hill pub. If any dads are interested in assisting or would like more information, please email me at andrew.schaeche@education.vic.gov.au.

The Fathering Project-Paper Plane Competition

Later this term at a date to be determined, we will be conducting our annual Fathering Project Paper Plane making and flying competition for dads/father figures and kids. This is always a popular and wel lattended activity.

Repeat Messages

Guideline regarding COVID-19

If your child tests positive to COVID-19

1. Parents/carers should complete the Student COVID-19 COVID Test Portal if a student tests positive to COVID-19 (via a PCR or rapid antigen test). Where a parent/carer informs the school by phone or written notification, the school should complete the Schools COVID Case Management Tool.

2. Students who report a positive result are recommended to isolate for a minimum of 5 days and not attend school until their symptoms have resolved. Students who isolate as a result of a positive COVID-19 test should be supported in the same way as students with an extended absence due to illness or injury, with learning materials provided to support their continued learning.
3. There is no longer a requirement for principals to inform the school community of a positive case associated with the school.

Please let us know if there's anything further that we can do to support you here at WHPS.

Andrew Schaeche,

STUDENTS OF THE WEEK – Term 2, Week 3 Assembly (12 May 2023) – RESILIENCE

CLASS	NAME	AWARDED FOR…	CLASS	NAME	AWARDED FOR…

OSHClub

Welcome to OSHClub

Let's go!

OSHClub pride ourselves on providing your children with fun, play-based learning experiences before and after school as well as during the school holidays. Whether your child attends OSHC daily or only occasionally, each visit is an exciting and engaging adventure!

Compelling programs
Our Adventures are created for children and they get to choose which Adventure they'd like to bring to life.

Educators who care
Our educators will embrace your child's journey: caring deeply, thinking creatively and inspiring them to thrive.

Future ready
We focus on building knowledge, skills and behaviours that help prepare your child for whatever the future may hold.

Unified partnership
As an integral part of the school community, together we'll create a fun and engaging environment for your child to flourish.

Fabulous food
We fuel curious minds and growing bodies, helping to shape your child's understanding of health and wellness positively.

Peace of mind
You can be confident that your child is safe, happy and given every opportunity to fulfill their potential.

Join the fun. Be active. Get together.

Enrol now to WIN!

Enroll your children into OSHClub before 19 May 2023 for a chance to win 1 of 3 special Mothers Day vouchers valued at $150, $75, and $25!

HIGH QUALITY
EPSOM STEEL
PRODUCTS

Music should be fun and engaging, and this is my approach to teaching it. I do not focus on making rockstars, I focus on the development of creativity, coordination, and the belief that through effort comes result.
I do my very best to make students laugh and have fun, even while learning difficult and challenging pieces.
I have written my own music books for students to learn from - one copy is supplied each year as part of the lesson fee. Additional copies are $50.

PAYMENTS:
Lessons are charged at **$250 per term**. This pricing covers the book, a pair of sticks and the guarantee of AT LEAST 8 lessons per term.
I will always aim for 10 lessons per term, but this gives flexibility for camps, public holidays and absent students.

Please contact me if you have any questions.
Looking forward to a great year ahead!

Thanks again,
Adam
