News from the School Leaders:

Playground Soft Fall Mulch

This Friday 22nd March, we will be replenishing the mulch to all our playground's areas to maintain safe playground spaces and avoid injuries. Unfortunately, we were unable to secure a holiday booking for this to occur.

A truck will be accessing the playground spaces via the Bosquet street entry from 7am, Friday morning. This may impact the entry of parents and students from this side of the school. Additional staff supervision will be on the oval to direct people entering the school. Our Foundation classes will be open from 8.30am to assist with the management of our younger students during this time.

Thank you for your understanding and cooperation during this time.

Compass

Next term we are expanding our use of Compass. Compass will be used for the following purposes:

Monitor your child's attendance and enter an explanation for absence or lateness.

Communicate with your child's teachers and update your family contact details.

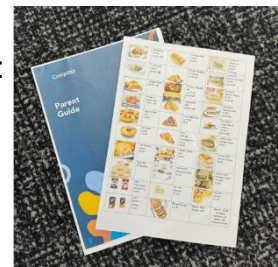

Download and view your child's academic reports.

Book parent-teacher conferences

Pay and provide consent for events and school fees.

Ordering items from our Canteen service (Canteen Menu Provided)

We are sending a copy of the Parents Guide for each family to assist with navigating the Compass Portal. Attached to the guide will be the menu for the school's lunch orders. As this is our primary school management system, please ensure that you can log in and access your child's Compass portal. Our office staff will be able to assist you logging on to Compass if you are unable to access this tool.

Student Attendance Afternoon Tea

Next Wednesday afternoon, students who were present for 95% of the term, or more, will be invited to an Attendance Afternoon Tea. This is a termly recognition of students who have excellent school attendance.

Learning Portfolios

All students will bring their Learning portfolios home next Monday, 25th of March. The portfolios provide a snapshot into your child's learning progress. Learning Portfolios are part of the school's reporting process and combined with written reports in Term 2 & 4, student-led conferences, and interviews, are designed to keep you informed of your child's development. The Learning Portfolios should be returned to your child's classroom, to be filled with more samples at the start of the following term.

Early School Finish - End of Term 1

Next week will be a planning week for teachers across the school. This means that timetables will be different to a normal school week. Thursday 28th will be the last day of term with a 2.30pm finish. Good Friday is a public holiday and the first day of school holidays. The first day of school for Term 2 is the 15th of April. We wish all families a wonderful term break.

Mr Gurd's Run

Mr Gurd is raising funds for the 'Love Your Sister' foundation - to vanquish cancer!

He will be running an impressive 30 km for 30 days (900km total!). He will begin this running challenge on the 28th March.

Each class will run a lap of the oval, with Mr Gurd to help kickstart his challenge on Thursday 28th March, from 9am. Bring a gold coin donation (or more) to help Mr Gurd raise funds for this cause. We are looking forward to supporting Mr Gurd next week. This will be a casual clothes day. Parents are welcome to come and cheer Mr Gurd and students on from 9am.

Stranger Awareness

This morning, we had a student report that he had been approached by a female driver of a small white car as he walked along Holdsworth Road. The person offered him a lift to school. The student declined. This matter has been reported to the Department of Education and the Bendigo Police. We continue to encourage our students where possible to travel together and not talk with strangers. Parents are also encouraged to reinforce this message with their children.

Hand Foot & Mouth

Cases for Hand, Foot and Mouth Disease (HFMD) have been reported to school this week. HFMD is a condition caused by a virus. It can leave a rash or blisters on your hands, feet, and mouth (along with bumps on the elbows, knees or buttocks).

A fever or sore throat are usually the first signs of HFMD. These symptoms are typically followed within a few days but a rash and bumps that cover the hands, feet, mouth, and buttocks.

HFMD is **very contagious**. It can be transmitted to others before you notice symptoms. Students diagnosed with HFMD should avoid contact with others and remain at home until all blisters have healed completely (approx. 7-10 days). **Please do not send your child to school if they are displaying these symptoms**. We appreciate your assistance in this matter to avoid the spread of HFMD throughout the school.

Head Lice

We have also had many cases of Head Lice in the last week. Could you please set aside some time over the weekend to check your child/children's hair.

If there are any live lice or eggs, the hair will need to be treated and combed through to remove the lice & eggs. This process must be repeated seven days later.

While your child has live lice in their hair, we highly recommended that they stay home from school until the first treatment has been completed. If there are still eggs in the hair after the first treatment your child may return to school but must be treated again on the seventh day.

Drum Lessons

"I believe in making music an enjoyable and engaging experience, and that's exactly how I approach teaching. My focus isn't on creating rockstars; instead, I emphasize fostering creativity, coordination, and instilling the belief that effort yields results.

Even when tackling challenging pieces, my priority is to create a fun and lighthearted learning environment, often with lots of laughter. To facilitate learning, I've authored my own music books, with one copy provided annually as part of the lesson fee (for new enrolments) Additional copies can be obtained for \$50 each.

Here's a bit about my background: I bring 30 years of playing experience and almost 20 years of teaching experience to the table. I regularly perform live concerts with my own bands and collaborate with the Bendigo Symphony Orchestra. My involvement extends to musicals, theatre productions, touring bands, and music festivals. I am also Tour Manager for a prominent Australian band. Certified with a CERT IV Training & Assessment from Bendigo TAFE, I'm an active member of the Victorian Music Teachers Association (VMTA). I hold numerous Music Exam accolades, including First-Class Honors, and I'm an Associate Member of the Australia & New Zealand Cultural Arts (ANZCA). Furthermore, I have comprehensive insurance coverage, public liability protection, and a valid Working with Children (WWC) Check.

For payment, lessons are priced at \$250 per term, and guarantees a minimum of 8 lessons per term. While I strive for 10 lessons, this structure allows flexibility for camps, public holidays, and student absences.

Feel free to reach out if you have any questions. I'm excited about the fantastic year ahead and looking forward to making music enjoyable for everyone." **Thank you, Adam Bourke 0409530880 Check my Facebook page:**

Hi White Hills Primary School,
My name is Dale Harris and I am contacting you on behalf of the Bendigo LEGO User Group, a local group of LEGO fans of all ages.

We have our annual brick show, Bendigo Bricks coming up in a month on the 6th and 7th of April. You can find out more about the event here:
<https://bendigobricks.com>

The reason for contacting your school is to ask if whether it would be possible to have the poster for our 2024 event included in your newsletter in the lead up to the Easter school holidays as our event takes place on the weekend following Easter and we would expect that a lot of your students and families may be interested to come along.

I have uploaded both a PDF and a JPG version of our poster on our website at <https://bendigolug.com.au/bb-poster> which you can download and circulate as you wish.

Please don't hesitate to contact me if you would like any further details, or if you have better idea for how we can promote our event to your community on 0411899840 or by responding to this email.

Thank you,
