

## SCHOOL SPORTS SELECTION PROCESS POLICY

#Please note: The school will reserve the right to not select students based on their behaviour and inability to follow our school values.

### Athletics

Students will be selected for our District athletics team based on their results from the school athletics carnival. Events will be filled based on the finishing times or distances the student's record.

#Note: some events will have 4 qualifiers.

#Note: 800m runners will be selected based on their school cross-country results.

**Division and Regional Athletics** events are a progression of the previous athletics event with first and second from each event moving on to the next carnival (Please note: There may be some variations to this eg: high jump has only one qualifier).

### Division School Sports Representation

Division school sports teams will be selected in the following sports: basketball, football, netball, soccer, hockey & volleyball.

Teams will be selected a minimum of three weeks prior to the event.

Division teams will be selected based on a points system. At least one selection trial for the event will be conducted by two selectors based on the 3,2,1 rating system, with skills being broken down and assessed.

The two selectors scores are added together to form a rating. If the sport has been taught during Physical Education, the students will be scored with the following criteria; 3 being excellent 2 Average and 1 being needs work to develop skills. This score will be then added to the individual's total.

If two students are tied, the following guidelines will be followed:

- A Grade 6 student would get preference over a Grade 5 student.
- If a player is a member of a team or plays the sport outside of school they would get preference.
- If it is still tied, the decision would be left to the discretion of the selectors.

### School Sport Victoria State representative teams.

A list of State representative sports is available on the School Sport Victoria website at:

<https://www.ssv.vic.edu.au/team-vic>

Parents are required to pursue nomination of their child with the principal who must sign an approval to trial notice.

### REVIEW CYCLE

**This policy was last updated in December 2019 and is scheduled for review in December 2021 or as required.**
