Dear Parent/Guardian,

White Hills Primary School is looking forward to another great year of teaching and learning and would like to advise you of White Hill's Primary School's voluntary financial contributions for 2024.

Schools provide students with free instruction to fulfil the standard curriculum requirements and we want to assure you that all contributions are voluntary. Nevertheless, the ongoing support of our families ensures that our school can offer the best possible education and support for our students. We want to thank you for all your support, whether that is through fundraising or volunteering your time. This has made a huge difference to our school and the programs we can offer.

Within our school this support has allowed us to enhance digital learning opportunities by purchasing ipads and netbooks, maintain our gardens/grounds and support students with special curriculum experiences just to name a few. We thank you all for your contributions to making our school the best it can be for all our students and the community. In 2024 we would like to continue to enhance all our programs and make many more positive modifications to our school.

Attached is information and suggestions on voluntary financial contributions for 2024 for your child. Payment of voluntary contributions can be made:

- In person from 25th January, 2024 at the WHPS Office.
- When ordering your child's school book pack via the Education Plus website
- Via your Compass parent portal in 2024

For further information on the Department's Parent Payments Policy please see a one-page overview attached.

If you have any questions, please phone the friendly office staff.

Yours sincerely,

ANDREW SCHAECHÉ

Payment methods

- Payment for Extra-Curricular Items and Activities can be made by cash, cheque or debit/credit card at the school office, over the phone or via the school's Compass Parent Portal.

Refunds

Our school will consider requests for partial or full refunds of payments made by parents on a case-by-case basis considering the individual circumstances. Generally, the school will not be able to refund payments made for items purchased or costs that have already been paid where those funds have already been transferred to a third party. For example, camp costs when a child becomes unwell and cannot attend in circumstances where the payment has already been made or committed to a third party and no refund is available to the school. Where possible, we will make this clear to parents at the time of payment.

Financial Support for Families

White Hills Primary School understands that some families may experience financial difficulty and offers a range of support options, including:

- the Camps, Sports and Excursions Fund (CSEF)
- State Schools Relief (SSR) support, applications can be made via the Wellbeing team to assist with clothing/uniforms.
- Regular Direct Debits from Centrelink paid to the school (**Centrepay**). Parents are able to arrange this through Centrelink. Please see office administration for set-up details.
